From the Principal

With the outstanding success of the school musical, Beauty and the Beast, we have seen that is possible in schools like Mansfield in terms of students’ opportunities, for students to develop in so many ways through a production of this kind. Students not only create lifelong memories for themselves and the audience, but they also develop knowledge and more confidence in their own abilities. Congratulations to the teachers and students involved but also to our director, Nathan Booth, who as a past student has made an outstanding debut as a musical director. As part of Nathan’s studies he chose to direct the musical and he brought an imaginative and semi-professional perspective that really added something special to what is always a truly outstanding event for us as a school. Special thanks go to Mrs Marg Overs (Head of Department – Music) as the team leader of such a large and dedicated Mansfield musical team. Every member had his/her part (large or small) to play and the way in which this happened, resulted in a wonderful musical on so many levels.

Please enjoy a small taste of Magic Moments from Beauty and the Beast - More images in our next newsletter.

As we move into the middle part of the term, all students should now have their term planned, assessment dates noted, goals set and be regularly revising and learning the key concepts, important content and skills they will need to replicate come assessment time. A key part of this is ensuring that assessment is de-mystified! What is the assessment? Is it an exam, an assessment, a report? Regardless of the type of assessment, students should be learning how to present their work within this genre. They should be acutely aware of the criteria by which their work will be judged, intimately understand the requirement of the task and deeply familiar with the genre of the assessment. The purpose behind exemplars is to create this level of certainty and familiarity for students. All teachers are expected to use exemplar A standards of work in their classes! It is imperative for parents and students to expect this and to make sure that this is occurring at a deep and meaningful level.

Keep shining!

Presentation Evening Awards

The Presentation Awards criteria will soon be on our school’s website. The Awards list will soon be on the Under Admin notice board. Students need to check the criteria and ensure that the Awards list is correct. If they have any concerns, they need to see Ms Clarke by the advertised date.

To allow the latest information to be used, Year 12 Subject Awards and possibly Academic Excellence and Academic Achievement Awards will not be available until just before the September holidays.
School Magazine

Purchasing the 2014 Mansfield School Magazine (also known as great school memories at Mansfield High School in 2014)

Mansfield State High School students and staff have collaborated again this year to publish our very own magazine. It contains over 100 full colour pages featuring our students’ outstanding achievements and their participation in our school throughout this year.

This year’s publication features:

- Over 100 full colour pages.
- A 4 page pull-out of Senior Formal photographs.
- Student collage pages for each year level.
- Outstanding achievements across all subjects and extra-curricular areas.
- Seniors will be highlighted by special photo frames and larger photos.
- SDP class photos of students and staff photos.
- The winning student’s cover design.
- Extra features such as Guess the teacher’s hat and a flick book animation.

To secure your copy, please pay $15 to the lower office before Friday 8 August (Week 4, Term 3). Please note that orders will be placed on payments by this due date. Only a very small number of extra copies will be available and therefore to secure your copy, you must pre-order now. Thank you for your understanding.

Jarryd Greitschus

Last Friday past student Jarryd Greischus visited our school to do an archery demonstration at lunchtime for our students. This was a wonderful opportunity for all of us to see a very experienced archer in action. Whilst working as an engineer, Jarryd trains in his chosen sport, as he prepares for selection for the 2016 Olympics.

Congratulations to Oliver Judge-Mears who has been selected in the Queensland Orienteering Team to compete in the National Orienteering Championships in October in Perth.

Also, congratulations to Jasmine Allen who is now the Australian National Female Junior Karate Champion after competing in the National Championships in Perth in early August.

Well done Jasmine and Oliver; you are both Mansfield Stars!

District Track and Field

It was a great result by our track and field team which placed third overall in the South District Track and Field Carnival.

Special mention goes to the following who won their events:

Champion of Champions Futsal Tournament

By Mitchell Sciacca - Year 9 Futsal Player

Recently both the Year 8 and Year 9 futsal teams competed at the Champion of Champions Futsal Tournament. Both teams had progressed from the qualifying stages that were held in Term 1. The boys were attempting to qualify for the finals of the Australasian Champion of Champions Competition. Unfortunately the Year 8s did not progress through to the finals, although they gained wonderful experience and will no doubt be looking to go one step further next year.

Last year the Year 9s were knocked out at the semi-finals and this year they were determined to do even better. At the tournament they came 2nd in their group which qualified the boys in the semi-finals. In the semi-final the boys defeated St Mary’s College 2-1 in extra-time. In the Grand Final they competed against Chancellor College. With a lot of hard work they managed to keep the game at 0-0 for most of the game until midway through the second half, when fatigue set in. This resulted in Chancellor scoring two quick goals. Although the boys didn’t win on the day, by making the final, they have qualified to represent the school in the Australasian Champion of Champions held later this year. On behalf of the Year 8 and 9 Futsal teams, the boys would like to thank Mr Johnson, Mr Moss, Mr Austen and past student Daniel Sciacca for coaching us throughout the year.

Defensive Driver Safety Program

This program is a special one day driver awareness course aimed at Year 12 students. It involves lectures, demonstrations, video presentations and in-car hands-on driving experiences all based on extensive research into crashes involving young drivers. Participants learn safe-driving techniques while they...
test drive a fleet of different cars. The following topics are covered:

- Contributing factors in crashes
- The REAL FACTOR 4 – Over-confidence, Risk Taking, Inexperience and Peer Influence
- Vehicle and tyre maintenance
- Driver attitude and behaviour
- Wet weather driving (now to reduce risks)
- Vehicle stopping distances and reaction times
- Low risk/safe driving techniques
- Road Law misconceptions
- Dealing with hazards (how to react)
- Vehicle technology (ABS, SRS, ESC)
- Proactive driving (risk reduction)
- Vision and scanning (utilise your eyes better)
- Seating and steering to improve safety
- Impairments (distractions and alcohol).

Any Year 12 student who has a current learner’s permit, provisional licence or will obtain a learner’s permit by the time of the course (and who has some driving experience) is welcome to attend. The course attendance fee is $160 (GST free). The one day course is to be held on Monday 13 and/or Tuesday 14 October. Please see Mr Kalpakadis for forms and/or further information.

Information Technology

Young ICT Explorers’ Competition

Darren Fu, Patrick Kim, Tom Barham, Matthew Docherty and Bradley Hennessey

The Young ICT Explorers is a competition for school students to produce their best Information and Communication Technologies (ICT) related project. This competition aims to inspire and encourage school students to consider ICT as a career opportunity and gain a greater understanding of the diverse possibilities available through ICT. Mansfield students have represented the school at the Young ICT Explorers since the competition was introduced in 2009 and this year was no exception. This year, 31 schools and 261 students participated in the finals event for South-East Queensland. Tom Barham, Patrick Kim, Darren Fu, Bradley Hennessey and Matthew Docherty attended the finals event on Saturday 9 August; students had been working on their projects since the beginning of the year. Daniel Clarke was also accepted into the finals, but elected to focus on rehearsals for the school musical.

Congratulations to Matthew Docherty, who was awarded 3rd Prize in the Year 8-9 Category for his tic-tac-toe in Python project.

Many thanks to the tireless efforts of Mrs Docherty in encouraging and supporting students in this endeavour.

Get Certified @ Mansfield

Mansfield High School has access to a Microsoft IT Academy program subscription as part of the Department of Education, Training and Employment’s current Microsoft Enterprise Agreement.

Subscription access is intended to assist students, teaching and non-teaching staff to gain knowledge and skills in various Microsoft technologies to enhance their learning experiences.

A school’s subscription provides
• more than 400 self-paced, interactive online learning courses that are easily aligned to the curriculum
• a Learning Management System to track course participation and progression
• the opportunity for students and staff to gain internationally-recognised certifications
• a certificate of completion that can be issued to students and staff at the completion of each course.
• IT Academy is accessible at any time via the Learning Place student and staff spaces.

Microsoft certifications are awarded after passing online, computer-assessed exams. The Department currently has a large inventory of Microsoft Office Specialist exams for schools. These exams include programs such as PowerPoint®, Word® and Excel®.

Students with a Learner Unique Identifier (LUI) who successfully complete Microsoft Office Specialist and Microsoft Technology Associate exams are also able to gain Queensland Certificate of Education (QCE) credit. A total of 8 points, 1 per exam, are able to be attained under the enrichment studies category.

A number of students has already successfully earned a Microsoft Office Specialist Certification with the help of Mr Casey – one of the school’s IT teachers. Most of these students have prepared for the exams in their own time and were given an opportunity to sit the exam in the last exam block. This opportunity still exists for students and they only need to speak with Mr Casey in A28 staffroom to get started. Students can also choose to complete these certifications as a MAP activity in the next MAP block. In addition to the Microsoft Certifications, Mansfield High can now also offer Adobe Certifications in Photoshop, Dreamweaver, Flash, Premiere Pro, InDesign and Illustrator. If you need more information please send an email to mcase3@eq.edu.au.

Music

Camerata Stars Shine!

Our senior string ensemble, Camerata, recently participated in the Fanfare State Final Festival which was held at the Brisbane Convention Centre from 6 – 8 August. Camerata was one of the five ensembles to progress to the Fanfare Grand Final Concert. All five ensembles were excellent. Although Camerata and its conductor Lisa Stevenson were not the overall winners, they were certainly winners in our eyes and ears; they were beautiful to watch and to hear. Their faces shone with pride and a love for making music. Thank you to everyone who has supported them in this musical and life journey! More wonderful memories were created!

Jazz Event - All That Jazz 2014

On Friday 29 August, the Music Department will be presenting All that Jazz as part of the 2014 Concert Series. This event will feature performances by our Big Band, Jazz Ensemble, Stage Band and Combo.

All That Jazz will be held at the Mansfield High School Assembly Hall, starting at 7pm. Admission charges are as follows: $15 Adults & $10 Concessions. All students performing receive free admission. Admission costs will include: Savouries, tea and coffee. Wine, beer (adults only), juice and soft drink will be available for purchase. The event will be catered for by the Mansfield High hospitality students. To assist with catering arrangements tickets MUST be pre-purchased online through the school website: www.mansfield.eq.edu.au from Thursday 15 August to Thursday 28 August only. Table groupings of up to 10 people are available for reservation, so why not get a group together? No tickets will be available at the door and ticket sales MUST close on Thursday 28 August to ensure that numbers for catering are accurate.

Year 12 QCS Preparation Workshop

On 22 July, there was a final QCS Preparation Workshop offered to all Year 12 students sitting the QCS test this year. Bill Gilmore, the author of QCS Success, ran the workshop and gave top tips for addressing the short response and multiple choice papers. It was great to see so many students in attendance and gaining some great tips on QCS success.
TAFE Courses 2015

Each year, TAFE Queensland and TAFE Skills Tech offer Mansfield State High School students the opportunity to undertake a course in vocational pathways through their partnership arrangement. Course details and enrolment packs are now available from Ms Wenzel. In addition, all information is available on the Mansfield website under Curriculum/Vocational Education/TAFE and other training provider courses. Please contact Ms Wenzel for further information.

Mansfield High Community Man of the Year

Father’s Day is fast approaching and this year Mansfield High will be running a competition for our students to nominate their dad or a man who is special to them as Mansfield Man of the Year. Men are such a special part of our community and we want to honour them.

How to Enter:

Submit a photo of yourself with your dad or with your favourite male role model and write a paragraph or poem to describe why this man is special to you. The more creative the better (that’s a judging hint!).

Entries can be emailed to glenp@chappy.org.au or dropped in print to Chappy Glen. Entries close by 3pm Friday 29 August.

Nominator Prizes:

1st prize: $60 voucher
2nd prize: $40 voucher
3rd prize: $30 voucher

(Voucher can be for Kingston Park Raceway, AMF Bowling or Cineplex Cinemas.)
Chappy Day this FRIDAY!

Chappy Day is this Friday 22 August. This will be a 4-4 day with a longer lunch break for students to enjoy some fun, food and healthy competition! We are still in need of more donated chocolates for one of our activities so if you can add a block to your shopping, it would be greatly appreciated. Chocolates can be given to Mrs Holley or Miss Wilson/Mrs O’Gorman in the Upper Office.

Guide Dog Awareness Week

Last week was Guide Dogs Awareness Week at Mansfield High School. The students organised a number of different activities aimed at raising awareness of and raising funds for Guide Dogs Queensland. An obstacle course, a raffle and a jelly bean guessing game managed to raise $400, taking this year’s progressive total to $2230. The students also created a display in the library.

Congratulations to all our Guide Dogs Awareness Week winners!
