26 November 2014

From the Principal

Last Friday we had our last day with our Year 12 students. I would like to congratulate the students on their hard work in completing Year 12 to the best of their ability and on completing twelve years of study. Led by Deputy Principal Ms Clarke, a beautiful ceremony was held at school and I thank all the parents and families of the graduating students. It was a proud moment for staff to watch each student having the opportunity to walk across the stage for the last roll call of the year. I would like to thank the staff of Mansfield High School for the quality of teaching and learning provided and the care shown to each and every student. We are confident that our graduates of 2014 leave our school prepared for the world of study or work knowing that the hard work and dedication to achieving their best has provided them with a full range of opportunities and choices for their future.

For students in other year levels it is important to attend every lesson every day. With assessment coming to a close, it is important for students to take the opportunity with their teachers to deeply engage with feedback. Learning does not stop. Although the work that students may be completing in classes is after the assessment has been completed, it is still important. Thus, it is not appropriate for students to be leaving school before their end of year completion date.

Students and parents, I would like to remind you about the high standard of presentation required of all students. Students have been instructed on numerous occasions about how to wear the school uniform correctly. Please check all uniform items and if they are not in reasonable condition, those items need replacing.

Neighbourhood Watch Encouragement Award

Congratulations to Year 8 student Caitlyn Robinson (pictured below) who was last week presented with the Neighbourhood Watch Encouragement Award by Kevin Schneidewin from the Wishart group. Each year the Wishart Neighbourhood Watch Group recognises a Year 8 student who tries his/her best, has an excellent record of attendance and effort and contributes to the school community. Well done Caitlyn!

Students’ Efforts Recognised

Rachel, from the Smith Family visited Mansfield High School last week to make a presentation to the students who participated in the student2student reading program this year. For twenty weeks this year, our students committed to reading over the phone with a younger buddy for 20 minutes, 2 or 3 times a week in order to help them improve. The program was highly successful and our students were rewarded for their commitment with a certificate and a $25 gift voucher for Dymocks Bookstore (provided by the Redlands VIEW Club). Congratulations to the 6 students who participated this year - Adna Capin, Dinasha De Silva, Imasha De Silva, Lauren Mears, Lisa Te and Madison Waugh.
The National Young Leaders’ Day

By Alexandra Radke, Year 11

What is the definition of a leader? According to Mike Martin, CEO of the Halogen Foundation, a leader is a person who uses his/her influence to turn nothing into something. Tooru Nishido and I were fortunate enough this Monday to have been given the opportunity to hear his inspiring speech at Brisbane’s National Young Leaders’ Day, an event held annually in five major cities and organised by the Halogen Foundation. Moreover, we were given words of encouragement from the likes of Leisel Jones, Coen Ashton and Ben Roberts-Smith. The most poignant speaker in my opinion was Coen Ashton, a seventeen year old who has had a double lung transplant. He hushed an auditorium filled with over 1400 secondary students into utter silence with his story of surviving and thriving despite having cystic fibrosis: http://www.coenashston.com.au/about-coen . Coen’s efforts in his work to raise awareness about Organ Donation hasn’t gone unnoticed. After being nominated in the 2011 Pride of Australia, he not only won Child of Courage Queensland, but also took out the National Child of Courage and the People’s Choice Award, the first person to win all three.

Coen’s message to everyone was that we must remember that the ability to make tomorrow better than today is in our hands. We all have the power to fill the voids in our lives, in short, to turn nothing into something with one idea and some hard work.

Overdue Items For 2014

In order to have reports mailed out to students, it is essential that the subject costs and other school costs have either been paid or arrangements have been made with the school’s Business Services Manager, Mrs Sandy Ebert, for their payment (phone: 3452 5310). All overdue items must be returned in a timely manner. This includes items such as: assessment, library resources, borrowed items, borrowed money. Please discuss this with your student.

Exams / Study Leave / Attendance

As the end of the year approaches, this is a reminder that students need to be in full-time attendance until the following dates. If there is a difficulty, please contact the relevant Deputy Principal:

- Years 8 and 9 - Friday 12 December
- Years 10 and 11 - Friday 28 November

New Textbooks and Stationery for 2015

All stationery and new textbooks may be purchased on-line through Sequel. This includes the purchase of a single new textbook. Create your account from the booklist tab at www.sequelbooks.com.au and place your order. Booklists can be printed from the school website https://mansfieldshs.eq.edu.au/Curriculum/Booklists/Pages/Booklists.aspx

Orders close at midnight on Sunday 30 November. The school receives commission from all new textbook and stationery sales ordered before the 1 December and all proceeds are reinvested in the school! No orders or payments for new books and stationery will be accepted at the school.

New textbook and stationery orders via Sequel can be delivered to your home for just $8 (including multiple student orders to the one address). We strongly recommend this convenient home delivery option. Alternatively, orders via Sequel will be available for collection at the school on Monday 19 January 2015 and Tuesday 20 January 2015 between 8am and 2pm only at the school hall. Please note that queues can be lengthy, so allow plenty of time.

Second-Hand Textbooks for 2015

The second-hand bookshop will be open in the music practice room (beside the uniform shop) on:

- the last two days of school (11 and 12 December) 7.30am to 11am,
- in the week before school commences (19 - 23 January 2015) 7.30am to 11am; and
- on the first two days of school (27 and 28 January 2015) 7.30am – 10.30am.

Please support the second-hand bookshop – there are bargains to be found! We do our best, but be aware we cannot guarantee a copy of the book you require will be available...
as stock depends on what is offered for sale from previous students who no longer require their texts.

If you are purchasing a Year 8, 9 or 10 second-hand Maths textbook, we strongly recommend you pay an additional $5 for a copy of the e-Book, as e-Book licences only last 12 months and therefore would have expired with the second-hand book you are purchasing. The additional $5 can be paid on the day of purchase of the second-hand book at the second-hand bookshop and the e-Book will be issued to your student in the new school year by the Maths Department teachers.

It is preferred that second-hand books are paid for by either cash or cheque. EFTPOS facilities will be available, but there may be long delays in processing due to customer numbers.

Second-hand books being offered for sale will be received between 8am and 9am at the front counter in the Resource Centre on the following dates only:

- Year 12s: Week of 17-21 November 2014
- Year 10 and 11s: Week of 24-28 November 2014
- Year 8 and 9s: Week of 1-5 December 2014.

All second-hand books offered for sale must be accompanied by a signed agreement form which is available on the school’s website or by using the link below. Books will not be accepted without this completed and signed form.

The Mansfield High School Parents and Citizens’ Association thank you for your ongoing support.

Drama

Year 11 Drama night

After a term of extremely hard work, students in the Year 11 Drama class performed the inaugural Cinematic Theatre Night entitled Broken Chains. They wrote scripts and then edited them into a production. It is the first time the students have been following the new Drama work program. The students initially studied Australian Gothic Theatre and then had a focus on Cinematic Theatre. This resulted in an awesome performance on Thursday evening 6 November. The ambience was enhanced by the massive storm which broke just before the performance began.

Both of the Year 11 Drama classes were fortunate enough to have an Artist-in-Residence working with them throughout the term, Steven Maxwell from Markwell Presents (the company that created Cinematic Theatre). He was extremely patient with the students as he guided them through the process. Steven was responsible entirely for the filming and footage on the night. Everyone who viewed the production came away with the conclusion that it was an amazing performance.

Year 9 Drama

The Year 9 Drama students are busily working on their clowning performances. The three classes will be performing on Monday 24 November. Each class has selected a different theme. A range of primary school students from Mansfield State School will be viewing the productions which are completely self-devised. In past years, the Year 9 students have really enjoyed performing for the primary school students. Stay tuned for the photos.

Digital Magazine Launch

Ms O’Sullivan and I were thrilled to attend the launch of a digital magazine at the University of Queensland recently. A number of our students had short stories and poetry published in the inaugural high school edition of One Page: Brisbane and had the opportunity of meeting the publishers and special guests at the launch party. The project is the result of collaboration between the University of Queensland, Mansfield State High, Brisbane State High, Mitchelton State High, Kenmore State High and Mitchell College State High.

The high school editions consist of two magazines – Junior and Senior. Meg Vann, the Chief Executive Officer of the Brisbane Writers Centre said that, “both of these editions are really lovely - congratulations to your team and especially to all of the talented young writers involved!”

The magazines require registration and a small subscription fee and are available on an Apple App or online. Further details are available at www.onepagebrisbane.com.au

Having a published piece of writing in a magazine of this calibre is a wonderful addition to a budding writer’s portfolio. Also, developing links with the University is a great opportunity for students who wish to pursue a career in writing.

Students who had their work published (some of whom are pictured below) were: Ben Barruel, Jasmine Cheruvankalayil, Clive D’Silva, Sophia Fu, May Gu, Michaela Gyasi-Agyei, Gigi Hau, Navodya Herath Mudiyanselage, Rebecca Le, Diana Mandic, Samuel Morais, Prisca Ochan, Madeleine Rapisardi, Lisa Te, Dilara Ulkutas, Seray Ulkutas.

L-R: Clive D’Silva, Madeleine Rapisardi, Dilara Ulkutas, Prisca Ochan, Lisa Te, Seray Ulkutas, Jasmine Cheruvankalayil and Hillary Te

In addition, Year 8 student Seray Ulkutas was included in a Quest Newspaper article about the project (see below).
Once again, I’d like to thank Ms O’Sullivan and Ms Distor for their work with the Mansfield Literary Festival which inspired this student writing. I look forward to next year’s Literary Festival and further opportunities for our students to have their work published with One Page: Brisbane (Special Editions).

Japanese Visitors

This week the Languages Department hosted the president of the Japan Society of Education Technology (JSET) and five accompanying academics. The main purpose of their visit was to observe the use of technology in our classrooms and discuss how we use technology to prepare students for the future. Our visitors had the opportunity to learn about our TIC program and observe History and Geography lessons in our TIC rooms. They will return to Japan with ideas on how they can integrate a similar program into Japanese schools. A big thank you to the teachers involved in making our International visitors feel welcome and the exchange a success.

Karina Diaz’s Account of her Extended Exchange Trip To France

This September, I travelled to Rouen, France on the extended exchange trip. I experienced many new and wonderful things while I was there, and I think my French has improved greatly. I spent just over four weeks with my host family and student, and was lucky enough to travel to England on a class trip with her. I was at school for two weeks, had a week on holidays and spent a weekend in Paris. It was really exciting to see places so different from Australia and I saw many castles, churches and famous monuments in both France and England such as Big Ben, the Eiffel Tower and Notre Dame. I had a fantastic time in France and I’m excited for the arrival of my exchange student in Australia.

Year 11 QCS Multiple Choice Practice Test

Year 11 students sat the Queensland Core Skills Test Multiple Choice paper during the afternoon on Monday 24 November. The only exception was if a student is not OP-eligible. The results from this test will be used to determine Year 12 SDP class groupings for the QCS Preparation Program next year.

2014 School Magazine

The 2014 School Magazine has arrived and will be distributed to those students who have pre-purchased it, over the next few weeks. Congratulations to Year 12 student Joyce Yu (pictured below) who won the competition to design the cover.

Special congratulations to Ms Jo Chamberlain and her team for another magnificent magazine. This is always a huge task to capture the year in one magazine; however the result is outstanding!

Canteen Refurbishment

Some exciting news is afoot! Our school Canteen will undergo refurbishment during the end of year holidays to upgrade facilities for our hardworking canteen staff and to cater for the increase in our school population in 2015. The P&C Association is very excited to be managing this project and to be in the position to support the school community in this way.

Unfortunately, the contractors required access to the canteen from the 24 November. As a result, the canteen will run from the kitchen in the hall from 24 November through to the 12 December. Our wonderful canteen staff will be doing their very best to ensure it is “business as usual” but please be aware that the range of menu items will be reduced over this three week period. The waiting time in line may also be longer than usual due to these altered arrangements. We apologise in advance for this disruption, but are confident this small period of inconvenience will be well worth it once the refurbishment is complete for 2015.

Canteen Coordinator – Vacancy

This role presents an opportunity for someone with a passion for both food and business – is this you? As Canteen Coordinator, you will be responsible for the operations of the canteen and our wonderful staff and volunteers each week day. Working up to 35 hours each week you have a unique opportunity to transition the canteen service prior to, during and after the canteen renovations. You will be required to work closely with our existing staff and provide a service to our school students and staff. The position is up to 12 months with the possibility of extension. For further information please contact Sue Holley on sholl143@eq.edu.au

The final Soap orders are ready for collection from the Administration Block common room. If your student is collecting your order they should do so at 3pm to avoid the soap being damaged in their school bags throughout the day.

Holiday SU Qld camps

Here are two great options for your kids this coming school holidays: Surf Camp or SMADD (song, music, art, drama, dance). Both camps are in the first week of January 2015.

P&C Raffle

The P&C Association is currently holding a raffle with prizes including a variety of Microsoft products which have been donated to the P&C. Thanks to parent Tim Barham who nominated the P&C as a not-for-profit organisation to receive the donation valued at $1500. Tickets in the raffle are $1 each or you can buy 3 for $2. If you would like to purchase tickets, please complete the attached form indicating how many tickets you would like in each prize option and return it, along with payment, in a sealed envelope to the upper office or Sue Holley before Thursday 27 November. Thank you for your support.

The Final P&C Meeting for 2014

The final P&C meeting for 2014 will be held on Thursday 27 November at 7pm at Southern Cross Sports Club, Corner of Logan Rd and Klumpp Rd, Upper Mt Gravatt. All members are invited to meet at 6pm for dinner prior to the meeting at 7pm. If you are planning on attending, please RSVP to Sue Holley sholl143@eq.edu.au or 3452 5337.

The Rauchle Service Club is excited to announce the collection of the annual School Magazine. The 2014 School Magazine has arrived and will be distributed to those students who have pre-purchased it, over the next few weeks.
