3 March 2015

From the Principal

As I write this article for our third newsletter it is hard to believe that we are already halfway through the term. We have had five weeks pass and yet I am still amazed at the quality learning and teaching that is happening in our classrooms. On assembly last week I spoke to our students about never giving up and about making sure that they come to school focussed with lots of enthusiasm and energy. I also stressed the importance that they are trying their very best every lesson, every day to ensure their own success in their own way. Your support in discussing this with your child would be greatly appreciated.

Open Day No 1

Thursday 12 March for Year 7 2016 (out of catchment students)

9am-12noon for the WHOLE SESSION beginning in the Hall

All prospective students and parents are invited to attend our first Open Day for 2015 as listed below. However because of numbers, we encourage only students from outside of the catchment area to attend this time including Mansfield Primary out of catchment students. You will receive a guided tour of our school as well as an informative talk. Come early and enjoy listening to one of our magnificent Mansfield music ensembles. All relevant enrolment forms and information will be available on the day.

Our other Open Days for students enrolling in Yr 7 2016 (or other year levels) will be Thursday 30 April for catchment students and Tuesday 21 July for late enrolments.

Applications for enrolment will only be accepted for:

<table>

</table>

For your information, our catchment area map is located on our website

Parents and Citizens’ Association News

Our P&C Association is an important part of our school as it represents the interests of all parents at Mansfield State High School. Its members assist with the decision making of our school. Our Annual General Meeting followed by the P and C meeting was held last Thursday night. It was encouraging and inspiring to see so many parents attend the meeting and showing their support. At the AGM we were given the opportunity to thank Mrs Amanda Scarpato, our outgoing President, for her amazing work and the time and effort she has dedicated to ensure our school is a great one. Amanda is very passionate about Mansfield State High School and it was obvious that her priority was always the students of our school. Also, on behalf of our school community, I would like to thank Mrs Jo Hardie for the wonderful job she has done as the Secretary. Her time and effort given is also appreciated.

Congratulations to the following parents and school community members on their important positions on our P & C for the 2015 school year:

<table>
<thead>
<tr>
<th>President</th>
<th>Jodie Mark</th>
</tr>
</thead>
<tbody>
<tr>
<td>Vice President</td>
<td>Doug Margetts</td>
</tr>
<tr>
<td>Vice President</td>
<td>Amanda Scarpato</td>
</tr>
</tbody>
</table>
Many thanks Jodie, Doug, Amanda, Michelle and Jason for taking on these positions and for helping our school. Our P and C certainly plays an important role at our school, both financially and strategically, and we thank all members for everything they do and for their continued support.

The next P&C meeting will be held on Thursday 26 March at 7pm in F Block – F4/5, next to the Hall. New members are always welcome.

### Student Absences

It is extremely important that if your child is away or you know of a future extended absence that you inform the school. It is also important that where possible, parents arrange with their child before school if they have to leave early. I am aware that there are times when unforeseen circumstances arise and as a result you may have to collect your child up early. (Please see Pages M14, M15 of the Student Handbook.)

### Make every day count in 2015

Make 2015 the year when your child doesn’t miss a day of school. Research shows that students who have good patterns of attendance are more likely to achieve at school. If students aren’t at school or don’t stay the whole day, they are missing valuable lessons.

### School Road Safety Reminder

Our school can be a very busy place at drop off and pick up times and it is important that students are reminded of some basic road safety rules. Here are some basic tips for parents to share with your child to ensure they have a safe trip to and from school each day:

- When crossing a road, always STOP, LOOK, LISTEN and THINK and keep looking and listening while you cross.
- Always cross the road at a marked pedestrian crossing or designated crossing zone and if none is available, choose a safe place to cross where you can see traffic in all directions.
- Make sure your child gets in and out of the car on the footpath side, away from traffic.
- If travelling by bus, always wait until the bus has stopped before getting off and wait for the bus to move away before finding a safe place to cross.

As parents and carers, the best way you can teach your child road safety is to set a good example yourself. Queensland Transport has put together a Back-to-School road safety kit to help parents instil these vital safety skills in children. For more information, or to download a copy of the kit, visit Queensland Transport’s website at www.transport.qld.gov.au/backtoschool.

### FINALLY…

I hope you have a wonderful week with your families.

Mrs Karen Tanks, Principal

### Deputy Principals’ News

#### Year 8 to 12 Mid-Semester Reports

The end of term one reports for Years 9 to 12 will display the student’s achievement level, effort, behaviour and homework.

Year 7 and 8 reports will also include these aspects in addition to a comment for each subject. In conjunction with the upcoming Parent/Teacher/Student nights in weeks 1 and 2 in Term 2, teachers will indicate on this report whether an interview is requested.

Mrs Caitlin Anghel, Deputy Principal (Years 10 and 11)

### STEADFAST Banner by Stevie Hunter (Year 10)

Last year, in the Student Development Program (SDP), the Year Nines had the opportunity to take part in a special project. In this project every student stitched a button onto a piece of teal fabric on which letters were marked out. The fabric pieces were passed around during SDP each Wednesday morning last year, until all Year Nine student had sewn on a button. The fabric pieces were recently sewn together to form a banner displaying the word STEADFAST, which is our school motto.

Sewing on one single button may have seemed like quite a small contribution, but it
is amazing how far a multitude of small contributions can go, as we were to see when the banner was revealed. This banner embodies some of Mansfield’s core values. In the banner, we see every person playing his or her part, both in a tangible and in a symbolic sense. We see the result of what it looks like when people, or buttons, stand shoulder to shoulder, united, as a team: We are STEADFAST!

Jasmine Cheruvankalayil and I had the privilege of presenting the banner to our school Principal, Mrs Tanks. Jasmine stated: ‘We look forward to seeing the banner hang proudly in our Hall.’

NOTE: Special thanks go to Home Economics Teacher Mrs Emily Cooper, who planned where the buttons were to go and who sewed the fabric pieces together. It is a work of art! Thank you also to all SDP Teachers and Coordinators who oversaw the project! This year the Year Nine students will make a MANSFIELD banner.

Thank you Bunnings (Mt Gravatt)

Horticulture forms a part of our Student Development Program. Under the guidance of Ms Shele Parker and their SDP teachers, our Year 7 students will be maintaining and developing gardens within the school and learning about plant varieties. Our Year 8s under the guidance of Mr Lance Simpson and their SDP teachers will be involved with our vegetable garden and learn more about sustainability.

Bunnings Mt Gravatt has kindly donated items such as seedlings, some dwarf fruit trees, watering cans, fertiliser and trowels to assist with our program. We thank them profusely for their support.

SMAAT (Students of Mansfield Alumni Assistance and Tuition) is Back for 2015!

This program provides academic assistance after school, on Tuesdays, Wednesdays and Thursdays at F Block (FOA) from 3:10pm – 4:30pm. This program boasts low cost tutoring, whereas elsewhere you might pay upwards of $30 an hour.

My name is Nelson and I am the SMAAT Coordinator. A great aspect of the SMAAT program is that past students tutor present students. Students who are now studying at university, from Engineering to Business, are available and eager to help present students. I am also one of those who previously graduated from Mansfield and am now studying a Bachelor in Science and Secondary Education. This is a program offered to every year level in every subject area.

For more information and to register, please visit www.smaat.com.au or for any enquiries email smaatenquiries@outlook.com.

SMAAT: Tutoring for present students by past students!

Ms Barbara Clarke, Deputy Principal (Year 12)

Faculty News

English

Mansfield Literary Festival

Festival Booklet Cover Design Competition (all year levels).

Submit entries to Ms Crowther in B9 (Art staffroom) (pcrow2@eq.edu.au). The winner will receive a prize and his/her entry will become the cover design of the 2015 booklet. Entries close Thursday 23 April.

Reading Competition (Years 7 and 8)

Students are to keep a tally of books, recording title and date read, using reading sheets from the library. It is an honour system. All genres can be read – try to get a balance. Books must be in English. English class teachers are to keep a tally of books read for each student and for the class. There will be class and individual prizes for each year level. Start date: 12 February, 2015 – day of festival launch. Competition closes Monday 18 May at 3pm. Co-ordinator: Mrs McKirdy

Literary Character Costume Competition (Years 7-12)

Dress as your favourite literary/storybook character. Judging will be during Festival Week at lunchtime – date to be advised. To enter the competition, submit your name to Ms Watts (awatt101@eq.edu.au) by Wednesday 20 May. A prize will be awarded for the best entry.

Book trailer competition (Years 9-12)

Promote your favourite book in a book trailer one minute in length. Submit entries to Ms O’Sullivan in G2 staffroom by Monday 18 May. A prize will be awarded for the winning entry.

Activities

The week of the festival will include: screenings of films based on well-known literature; readings of winning short stories and poems; and the judging of the costume competition and presentations on assembly.
Lions Youth of the Year

This year’s Lions Youth of the Year participants have been of an exceptionally high standard. It has been a real pleasure to listen to their speeches – both prepared and impromptu. All of our students were wonderful ambassadors for Mansfield High School. Special congratulations to our School Captain, Alexandra Radke, who won the Griffith University Lions Club Competition both overall and as the best Public Speaker. She will participate in the Zone Final on Saturday 7 March.

Our participants this year were:

<table>
<thead>
<tr>

</table>

Ms Carissa Bladin, HOD (English)

HPE

South District Swimming

On Tuesday 17 February Mansfield State High hosted the South District Swimming Carnival held at Chandler Aquatic Complex. Congratulations to our swimmers for an excellent performance with our Boys’ team being placed first overall and our Girls’ team placed second overall. Mansfield was crowned the champion swim school for the second year in a row.

Well done to the following students who have been selected in the District Swimming Team: Fraser Barrett, Lewis Bone, Matthew Cowan, Matthew Davis, Nathan Hoang, Alicia Kane, Stella Karanasios, Seen Kim, Ryan Magee, Joshua Mitchell, Taylor Mitchell, Christopher Nego, Caitlin Profke, Thomas Rawlins, Jack Rollason and Lachlan Wood.

Representative Sport

Year 12 student Xantheia Pennisi has been selected to represent Queensland at the Australian Diving Championships in April.

Year 11 student Eleni Metos represented Queensland in Futsal at the National Futsal Championships which were held earlier in the year.

The following students have been selected in South District Teams:

- Baseball U/14: Zane Weber, Alexander Cunningham, Nelson Gower, Jackson Heald
- Volleyball: Tyler Bennie, James Chong, Shahak Kuba, Alexander Niesler, James Thompson, Brandon West.

Congratulations to all of our wonderful Mansfield sport stars!

Cross Country

Cross Country training is held every Monday and Thursday morning at 7.30am. Training sessions may consist of: laps of the purpose built 2km school course; trips up the famous King Hill; or interval sessions ranging from 1 minute efforts to 1km efforts. Students are to meet under K Block in full sports uniform. Permission letters are available from K Block staffroom. In order for students to compete in the school cross country, they must have attended training. Special awards will be given out throughout the training period in recognition of the efforts of the athletes.

Mr Nick Kalpakidis, Sports Coordinator
Mr Craig Healey, HOD (HPE)
Languages
Jean-Baptiste de la Salle Exchange Group

The exchange group from our sister school in Rouen, Normandie arrived on Monday 16 February. They have attended school on a few days and have enjoyed many typical Australian activities during their stay. Their itinerary included: Southbank and city visits, a rainforest walk and bird feeding at O’Reilly’s, a surf lesson at Noosa, and a farm stay at Cedar Glen. Additionally, on the weekends their host families planned exciting activities for them. At the time of publication, the group will be on their way home. We have been delighted to host yet another group from Jean-Baptiste de la Salle (JB) school. Their English teacher, Philippa Venner has been the key to making this exchange program such a success. Monsieur David Buard, a PE teacher at JB, has enjoyed his first time in Australia immensely.

In 1997, former Principal, Murray Kay and former HOD of Languages, Sonja Kokot, accompanied the first group of students to France. They had an agreement with another school in the Rouen area that fell through; however, not wanting to disappoint the students, the trip went ahead. During their stay, Mr Kay visited several schools and finally made an arrangement with JB de la Salle to continue this biennial exchange. The first exchange took place in 1999 and has continued since then. The success of this exchange is also the result of both schools supporting the teachers and students and we thank the school community for this. As teachers we want to provide as many learning opportunities as possible. An exchange such as this is the ultimate experience.

Bon voyage!

Immersion Picnic

The annual French Immersion picnic was held on Sunday 22 February for our new students and their families. This year we had the double pleasure of welcoming both the Year 7 and Year 8 families. Parents were able to meet other students and their parents from their child’s class. This is important for forging relationships that support parents and students. The weather was kind to us and enabled this wonderful tradition to proceed. According to Madame Burfoot, the rain has never succeeded in cancelling our picnic in the 15 years she has been teaching at Mansfield. She has never missed a picnic - what an achievement! She attended last week despite not having a current Year 7 or Year 8 class. She hopes to teach them at some point in the future. We wish our new students a happy and rewarding immersion experience.

The Queensland-Swiss/German Student Exchange Program

The Queensland-Swiss/German Student Exchange Program is currently in its 20th year of operation and is an exciting opportunity for Year 11 students studying French, Italian or German to make significant progress in their language proficiency and appreciation of life and culture in either Switzerland or Germany. Queensland students will host their Swiss exchange student in July and August this year and then stay in Switzerland for eight weeks in December - January. Applications close on 20 March, so please see Ms Fryer for further information and an application form.

Mr Kerin Gordon, HOD (Languages)

Music

Music Camp 1 (Friday 6 to Sunday 8 March, Alexandra Park Conference Centre, Alexandra Headlands)

Final details letter is available from outside the Music staffroom. Remember… the theme is Red Carpet!

Date Claimers

Music in March

Thursday 19 March from 6.30pm. Entry will be by donation. There will be no interval but tea, coffee and light refreshments will be available prior to the concert.

Music Camp 2

Friday 15 to Sunday 17 May, Alexandra Park Conference Centre, Alexandra Headlands.
Music Uniform

Does your music uniform still fit? Have you checked the length of the slacks/trousers? Are you new to the program and still need to purchase a music uniform? Orders can be placed at the Uniform Shop.

Senior Schooling

External Senior Exams

Year 12 students wishing to apply to sit external senior examinations, particularly in the area of languages other than English, need to see Ms Wenzel in F13 to collect information packs. Students who sit for these exams usually have the results credited towards their OP. Students are eligible to sit a maximum of two examinations if they cannot study the subject/s at school and must be able to demonstrate they are receiving an appropriate level of tuition in the examination subject. All examinations occur in October and November 2015. Registration and payment is due by Monday 27 April.

Work Experience

Mansfield High School will offer work experience in 2015 to Year 10, 11 and 12 students. Work experience familiarises students with working conditions and employer expectations. In addition, it offers students the opportunity to sample a specific type of work, and also promotes personal and social development.

The conditions of work experience for Mansfield students are based on The Education (Work Experience) Act 1996. The Education Act stipulates students:

- are 14 years and over;
- receive no payment in money or kind;
- work five days during normal working hours for the industry;
- are covered by Workers Compensation; and
- employers are covered by an indemnity policy taken out by Education Queensland (refer to information attached).

<table>

If you would like to participate in the Mansfield work experience program, please collect a Work Experience Information Pack from Mrs Jefferson at the Front Office.

Ms Peta Wenzel, Acting HOD (Senior Schooling)

Teaching and Learning

Assessment Planners – Year 7 and 8

Assessment Planners were handed out to all Year 7 and 8 students last week. All students received two copies. One copy is to be glued into their Student Handbooks for their reference and the other copy is for parents. Please place it in an area where you can easily access and check the due dates for your students. The Assessment Planners allow students to manage their assessment load. We encourage students to be well prepared and organised for their assessment, thereby giving them the best opportunity to achieve to their potential.

The Assessment Planner is a calendar of when the assessment for each subject studied by your student is due. The due dates for each assessment item span a week long period – this allows for classes across different days to have their assessment due at a suitable time within the specified week. Teachers will confirm the actual due date with their class when preparing for the assessment.

Assessment items for practical subjects such as Home Economics, Manual Arts and Health and Physical Education have “throughout semester” following the assessment task. Practical assessment for these subjects continues throughout the semester; thus the date marked on the Assessment Planner is the final date of assessment.

The Calendar of Events also publishes assessment. This calendar was issued prior to the Assessment Planner. Small changes were made to due dates to better balance the student work load. These changes will not be reflected on the Calendar of Events. The Assessment Planner has the final dates.

We encourage all parents to have a close look at the Assessment Planner with your students and to discuss it with them.

Miss Shelley Moye, HOD (Teaching and Learning)

Finance News

Now that subject changes are finalised, we will be invoicing all students for their subject fees over the next week and statements will be sent out once this is completed. Payment is due by Tuesday 17 March 2015.

Please check your student’s statements and advise the lower office if there are any anomalies or incorrect charges.

Also please note that students will be unable to attend extra-curricular activities such as trips, camps and the Year 12 Formal unless fees are paid or a satisfactory payment plan is in place.

Mrs Sandy Ebert, Business Services Manager
Community News

Student Reps Involved in Brisbane City Council Initiatives

Adna Capin, Benjamin Carew and Lisa Te have been selected to represent Mansfield High School on Brisbane City Council led initiatives in 2015. Ben will represent our School on the Lord Mayor’s Youth Advisory Council (LMYAC). The LMYAC gives the young people of Brisbane an opportunity to participate in the civic life of the city and identify issues and provides feedback on policies, local laws, services and programs that affect young people. Adna and Lisa will be our representatives on the Student Environmental Leadership Network (SELN). SELN aims to develop young people as leaders and provides opportunities for them to participate in sustainability projects in their schools and local communities. Each of the committees will meet four times during the year and will involve students from schools all over Brisbane. Congratulations!

Environmental Council

Australian Koala Foundation

By Hillary Te – Writer for the Environmental Council

The Australian Koala Foundation (AKF) is a non-profit, non-government organisation dedicated to the effective management of wild koalas and their habitat. In 2012, koalas were sadly listed as vulnerable to extinction. In the wild, koalas face a number of threats, the main threat being loss of habitat. Since white settlement of Australia, an estimate of 80% of the koala’s habitat has been destroyed. Clearing of the eucalypt forests has meant that koalas suffer from loss of habitat, increased disturbance by humans and injury and possibly death from traffic, dogs and cats. From the estimated national population of 100,000 koalas, approximately 4000 are killed by dogs and cars each year!

Mansfield State High School has been sponsoring Guppy the koala through the Australian Wildlife Foundation. You can help save koalas in many ways. Visit https://www.savethekoala.com/ to learn more. It’s very important that everyone takes responsibility for doing the right thing for the environment in their own area; every small act counts.

Rauchle Service Club

Pancake Day, Thursday 5 March – Lunchtime in the Hall

Price List

- Pancake with syrup $2
- Pancake with syrup & ice cream $2.50
- Cold drinks $1.50
- Meal deal with the lot $3.50

Pancake Day - a Mansfield tradition, not to be missed!

Who was Nell Rauchle?

Alexandra Radke delves into the legacy of one of Mansfield State High’s legends, Ms Nell Rauchle.

The legacy of the late (and great) Ms Nell Rauchle, the founding of the Rauchle Service Club, has touched the lives of many Mansfield State High students since the passing of Nell Rauchle in 2003. However, her contribution to her community extended beyond her dream to create a service club at Mansfield High. She not only laid the foundations for our Rauchle Service Club, but she was also a founding member of the SCOPE club (http://www.scope.org.au/index.html) – a women’s service organisation which supports communities across Australia. Nell Rauchle’s bright and guiding nature is still fondly remembered by the women of the Wynnum SCOPE club. The Nell Rauchle Memorial Trophy of the Speech and Drama section of the Wynnum Manly Eisteddfod was named in her honour.

Before she became a guidance officer, Nell Rauchle trained as a Home Economics teacher. This was evident at Christmas time at Mansfield High when her gifts of service became gifts of lovingly prepared goodies such as chutney – some of the latter still in a staff member’s refrigerator. However, both in her role as a guidance officer, as well as in her service to the greater community, she was known for her skills of unlocking the potential of all. We can see this every day at Mansfield High through the work of all volunteers who carry on Nell Rauchle’s belief of giving to their school and the wider community, which give so much to us. Interested students who wish to give to others are warmly invited to the next meeting of the Rauchle Service Club on Monday 9 March at 1.10pm in F4/5. Alternatively, or additionally, students might like to complete V@M (Volunteer @ Mansfield) activities. Thank you for giving!

Chaplaincy

Food for Thought: Encouragement by Chappy Glen

Something from which all of us benefit is encouragement. When you are feeling tired or are anxious about a situation in your life, a few well thought out words from a friend or family member can give you that emotional lift that helps you to pick yourself up and keep going.

However, it is very easy to get so involved in your own needs and wants that you don’t even notice when someone other than yourself is struggling. In a school community as large as
Mansfield High, there are many opportunities for you to get alongside someone who may not be having the best of days.

If you notice that someone seems unhappy, don’t just walk away. Why not take a few minutes to talk to him/her, to offer your support. If the person needs more help than you can give, why not accompany them to talk to someone in a support role.

Looking out for others is something that we should all be doing. Please play your part in making our school a truly caring environment.
