Dear Parents/Caregivers, Staff and Students

It is with great pleasure that I inform our school community that I have been appointed permanently as Principal of Mansfield State High School. It really is an honour to be the leader of such a great school. We are a school with wonderful students, amazing staff and a supportive school community. I look forward to working with you all to maximise outcomes for your children every lesson, every day for many years. Your support so far has certainly been appreciated. Together, we will ensure that we take our great school to a superb school.

This term has certainly been a busy one; in fact, it is difficult to remember all the events that keep happening around us. Just some of these co-curricular/extra-curricular events that our students are involved in include: Literary Festival, Debating, QUT BlueShift Case Study Competition, Health Week, Fun Run, Music concerts, Hospitality events, Chappie Week, NAPLAN, SOSE and Science Excursions, Kokoda training, The Arts trip to Melbourne, Rauchle Service Club and Environmental Council activities, sporting competitions and many more. It is so inspiring to see our students and so many of our teachers involved in these events and always sharing their energy, excitement and enjoyment.

High performing team

At Mansfield High School, our teaching and support staff work hard to ensure that our students are successful. For this to happen, we must continue to be a high performing team. As a result:

- We believe our students can succeed and we are focussed on enhancing their success.
- We collect, analyse and discuss data to continually improve our practice.
- We keep learning to be the best we can be.
- We seek best practices to improve how we teach.
- We implement strategies to cater for all students.
- We provide a stimulating environment that maximises learning for all students.
- We reward and value excellent behaviour and performance.
- We value and acknowledge our achievements.
- We support each other to maintain high morale.
- We share and celebrate students and staff success.

End of semester exams

I would like to wish all students the very best as they prepare for their end of semester assessment. Our Year 11 and 12 students begin their end of semester exams next Monday. Make sure you prepare well and give it your very best – never give up. Remember we are here to support you! Good luck to all of you and I look forward to reading the results of your hard work!!!

Athletics Carnival

Our annual Athletics Carnival is on Thursday 23 July. I look forward to celebrating more sporting achievements with our students and also to sharing the pride and spirit of Mansfield High School.

Mrs Karen Tanks, Principal

Deputy Principal News

A HUGE thank you goes to Bruce Heile of APIS orchard, who supplied the honey for our fundraiser and to James Bell, the Director of Brad Bell Real Estate, for his very generous donation.
If anyone would like to Support the teams from Mansfield High who are very committed to raising $3000, it would be great if you could get behind us by making a fully tax-deductible donation through the online donation facility. Just select “Stan Bisset cup” and following the links to support team Mansfield High (https://kokodachallenge.com/donate-online). By sponsoring the teams, you are directly supporting Aussie teenagers in the Kokoda Challenge Youth Program.

As well as supporting a very worthwhile cause, our trek is also in honour of the Australian soldiers who fought on the Kokoda Track during WWII. We hope to use the spirit borne there of mateship, endurance, courage and sacrifice as inspiration to get us through the tough course.

Ms Elaine Hamilton, Deputy Principal (Year 9)

Business Education

Year 11 and 12 meet the business leader

The Chartered Accountants Australia & New Zealand group hosted a Meet the Business Leader forum at QUT on Monday 18 May, for students interested in pursuing a career in Business. The forum was held after school for approximately two hours. Students engaged with leaders in business from a range of organisations: the big four accounting firms; medium and small business firms; universities; and government organisations. It was an opportunity for students to learn first-hand:

- what a career in business could offer;
- about scholarship and cadetship programs available;
- how to plan for their future;
- desirous skills and qualities; and
- study options available after year 12.

A special mention goes to Dilara Ulkutas who was one of three students who gave an ‘elevator’ presentation in front of an audience of peers, teachers and industry personnel of over 200 people. I am delighted to announce that Dilara was chosen as the ‘winner’!

BCT Travel Expo

The Year 11 BCT students once again worked in teams to organise the annual Travel Expo. The displays and presentations by students were exceptional, especially given the shorter time frame provided. All teams did an excellent job but there were four teams whose displays and promotional materials were outstanding:

- Team Ibiza: Eleni Metos and Audrey Kanongara.
- Team Las Vegas: Megan McLean and Abhinav Chander.
- Team Cancun: Emma Montocchio, Kelly Truong and Gabi Bailey.

The Year 9 Business students were also required to attend the Expo to gather information as part of their unit of study – Being a Smart Consumer. Information gathered by the Year 9 students will be used as part of their final piece of assessment.

QUT BlueShift Competition

Mansfield students of Business again participated in the QUT BlueShift Business Case Studies Competition. This year, two teams were entered (four members each) – a Year 11 team and a Year 12 team.
The teams worked to provide a solution to a business problem identified by Australia Post. Students had to analyse the industry and provide three potential solutions to the challenges identified. A 1500 word report was submitted in the first week after the Easter holidays. A total of 57 schools entered the competition this year and twelve were selected as finalists. Both Mansfield teams were successful in achieving a position at the finals which were held on Saturday 23 May at QUT.

The twelve finalist teams were divided into three heats and a winner was chosen from each heat to compete in the grand final. Students were given 15 minutes to present their solutions to the judges, followed by a five minute question period (very daunting). Both teams did an outstanding job and the Year 11 team was successful in making it to the grand final. They placed second overall. This is an excellent achievement for the group. We look forward to bigger and better things next year. Congratulations are extended to all the students and their mentors (Ms Malone - Year 11 team and Mrs Power - Year 12 team) for their achievements. A special thank you is extended to the parents, families and friends who came on Saturday to support the students.

Mrs Rosette Sagner, HOD (Business Education)

A very big thank you goes to all of the staff involved in the Festival, particularly Ms O’Sullivan and Ms Distor.

**Writing Competitions**

- The Mount Gravatt PCYC in association with the Garden City Library and Macgregor State High School present, for the **10th year** running, the

---

**Mansfield Literary Festival**

The Mansfield Literary Festival was very rewarding for our staff and students. It was wonderful to see so many students: entering our **Writing**, **Book Cover** and **Book Trailer** Competitions; watching the literary adaptation at lunchtime in the library; dressing up as their favourite Literary Character for the **Costume Competition** (held during the Fun Run); and participating in the **Reading Competition**. Congratulations to all winners (published in the last newsletter) and to our Costume Competition winners:

- Patrick Smeulders (Year 7) - *The Madhatter* from Alice in Wonderland by Lewis Carroll.
- Fatima Askary (Year 11) - *Skulduggery Pleasant* from the Skulduggery Pleasant novels by Derek Landy.
Summer Interschool Sport

Congratulations to the Touch Boys Open and Basketball Boys Year 7 for winning their grand final in the Metropolitan Finals Series. An excellent achievement!

Grant finalists were Softball Year 7 and Softball Year 8/9 and semi-finalists were Volleyball (B) Year 8 and Cricket Year 10.

Winter Interschool Sport

This week we play Round 5 vs Mt Gravatt High (Boys Travel) in the South District Winter Fixtures. Next week we play Cavendish Road High (Boys Travel).

Undefeated teams after four Rounds are:

- **BOYS** – Basketball Year 7 and Year 8/9
- **GIRLS** – Basketball Girls Open, Netball Year 7A, Football Junior.

Representative Sport

Just last weekend, Hayden Moffat in Year 12 was selected in the Schools Touch Open team to represent Queensland! What an achievement!

Well done to Jessica Ashworth and Mitchell Bradbrook who were selected in the Metropolitan East Cross Country Team with Jessica coming 3rd in the Regionals.
Well done to all our amazing Mansfield sport stars!

Mr Nick Kalpakidis, Sports Coordinator  
Mr Craig Healey, HOD (HPE)

Ms Kerri Hixon and Mr Ian Price, HODs (Information Technology)

Languages

French Immersion Program 25 year celebration

Arrangements are presently being finalised for a dinner function on the evening of Friday 7 August to celebrate 25 years of our French Immersion Program at Mansfield State High School.

Past and present students and their families will be able to obtain full details by the end of this week from our school website.

Information will also be sent to possibly out-dated addresses of student representatives of past years in the hope that they are able as quickly as possible to ‘spread the word’.

Any assistance with publicising this event would be appreciated.

RSVP and payments will be required by Friday 17 July 2015.

We look forward to meeting up with our French Immersion families again. It will be a night of celebrations! I would delight in emailing an invitation containing further details to you; please simply email me: kgord28@eq.edu.au

Mr Kerin Gordon, HOD (Languages)

Music

Fanfare Success

Congratulations to all of our choirs and their conductors on their outstanding results from the Education Queensland’s Fanfare Music Festival heat held on Friday 22 May. All of our ensembles received Gold Awards with Chorale and Cantabile earning places in the Regional Finals to be held at 8pm on Tuesday 23 June at the Old Museum in Spring Hill. Well done everyone!

Thank you

How do you feed 800 hungry music students over two nights? You call on your faithful volunteers. We would like to thank all of the parent volunteers who gave up their time to help feed our students before the Music in May concerts. Special thanks to the Rotarians from the Rotary Club of Wishart who arrived with their BBQ trailer to help with the cooking. We could not have done it without you!

Mrs Marg Overs, HOD (Music)

Practical Arts

‘Come and eat!’

This has been the catchcry in Home Economics recently, as they have conducted six different functions in the past month. The students and teachers from five classes have been planning and hosting various functions for teachers, parents and members of our school community.

The Year 11 Catering class planned and produced over 100 scones for our Devonshire Tea sale and this week has been selling ‘Cake and Coffee’ to teachers at morning tea. The students have also learned how to use the new commercial coffee machine and they operate this on Monday, Wednesday and Friday mornings, selling coffee and hot drinks to teachers before school.

In Year 10, the Hospitality students hosted a luncheon for 40 teachers during the lunch break, serving a beautiful cocktail menu of warm savouries and a selection of sweets, perfect for the first day of winter!
The Year 12 Catering class made takeaway meals on Friday 22 May which was much appreciated by many teachers. The meal options included delicious wintry warming mains of chicken and mushroom risotto or pumpkin and spinach lasagne, and dessert options of passionfruit tart or sticky date pudding.

The Year 12 Hospitality Studies class took on the mammoth task of hosting the first ever Moonlight Markets on Friday evening 29 May. They set up market stalls and cooked dinner for a number of guests. This occasion has been deemed ‘a fabulous inaugural event!’ Mr Minto and his jazz combo entertained us all with fabulous music, giving the event a wonderful atmosphere.

On Friday 5 June, the final function to be held this term, was Year 11 Hospitality Café, at which teachers sat down and were served two courses of lunch from a selected menu.

Thank you to all of our school community members who supported the Home Economics ventures this month. Particular thanks must go to the Home Economics staff members, who work so long and hard to ensure that the events which supplement our Home Economics/Hospitality classes are authentic experiences for the students.

Stay tuned for next semester’s functions; we look forward to serving you!

Mr Russell Miller, HOD (Practical Arts)

Science

Titration

By Michaela Gyasi-Agyei

After weeks of training, six teams competed in the RACI Titration Competition on the Saturday 9 May at Griffith University. Teams were placed depending on their accuracy in finding the concentration of an unknown solution. It was a rewarding experience which allowed us to improve our titration skills and work in a university laboratory. Thank you to Mrs Hardie, Mrs Josephs and Ms Vander Spoel for helping us during training and accompanying us on the day.

Science 21 Cancer Council Presentation

As part of the Term 3 Science 21 unit on cancer, a representative from the Cancer Council will give a presentation to the Year 12 classes. One of the presenters is a cancer researcher from the Translational Research Institute. During the presentation the presenter will discuss cervical cancer and its transmission through sexually transmitted diseases. The main aim of the presentation is to give students the scientific knowledge of cancer and current research. If you would prefer your student not to attend this session, please send a note to the class teacher and an alternative activity will be arranged.

Ms Terri Vander Spoel, HOD (Science)

Senior Schooling

Practice QCS Test – all Year 12 OP and Rank Score students

During the Exam Block time, Year 12 OP and rank score students will be sitting a full QCS Practice Test on Monday 22 June and Tuesday 23 June. All sessions on both days will be held in the Hall and are listed on the Block Exam schedule. Attendance is compulsory for students sitting the QCS test in September and rolls will be taken at all sessions. Eligible students who are not present will require a medical certificate.

This simulation test is extremely important in preparing students for the QCS test in September and will also provide us with data showing strengths and weaknesses of the current cohort, so shortfalls can be addressed in our preparation program. It is therefore vitally important that students are present and focused to do their best.

All students must bring the correct equipment. It was very disappointing at the last practice in April that a large number of students was not properly prepared with equipment. This is important because failure to have the correct equipment in the QCS test can result in students’ inability to answer certain questions and this disadvantages the whole cohort. The QCS Test is a team effort and everyone is expected to fulfil their responsibilities to each other by being properly prepared.

Students should have three clear plastic bags with equipment for each type of test i.e. one for Writing Task, one for Multiple Choice and one for Short Response. An equipment list appears in the students’ QCS Success workbook. We remind students that, under the prescriptive rules of QCS, only equipment for the particular test they are undertaking, is permitted in the QCS room. Bringing in any other equipment can be deemed as cheating and results in disqualification.

Construction White Card Course

On Tuesday 4 August, we are offering students in Years 10, 11 and 12 the opportunity to complete a Construction White Card course. This Construction White Card is a safety requirement for any persons wishing to gain entry on construction sites or engaging in industrial workplaces e.g. kitchens, building sites.

Train Up, which is a Nationally Recognised Training Organisation (NRTO), is offering high school students the opportunity to complete this course at a rate of $88. The regular price per person is usually $110. As we have a number of students completing courses of study in Construction and as we continually extend Work Experience possibilities for our students, we felt that this could be a worthwhile opportunity for students at Mansfield State High School during school time.
Army combat and security roles information session

Be Australia’s first line of defence and learn to make the right decisions under the toughest circumstances.

To learn more, attend an Australian Defence Force Careers Information Session on Tuesday 23 June at Defence Force Recruiting, Level 13, 295 Ann Street, Brisbane CBD at 6pm. Please RSVP to 13 19 01 or email cptqld@dfr.com.au.

Women in defence

This information session will provide an excellent opportunity to engage with currently serving females from the Australian Defence Force and discuss not only the recruiting process, but also life in the Australian Defence Force as a female.

The Women in Defence team will be able to provide valuable information to help assist you through the recruiting process and into a rewarding career in the Australian Defence Force on Monday 22 June at Defence Force Recruiting, Level 13, 295 Ann Street, Brisbane CBD at 6pm. Please RSVP to 13 19 01 or email wid@dfr.com.au.

Resources for young job seekers

The ‘Generation Success’ webpage has a number of useful resources for young people looking for employment. The resources include the following fact sheets which can be downloaded from https://employment.gov.au/news/what-s-new-generation-success

Where are you looking for jobs? – Includes links to job websites and information about company websites and Facebook pages, cold calling, and developing your network.

Are you ready for your interview? – This fact sheet focuses on preparing for an interview.

Another helpful resource for job seekers is ‘Getting started’ on the myfuture website at http://www.myfuture.edu.au/getting-started

Architectural Design Workshop- Griffith University

This two-day workshop for school students who are interested in studying architecture will be held on Thursday 9 July and Friday 10 July at Griffith University’s Architecture Studios on the Gold Coast campus. Download a flyer at

If your sons / daughters are interested, please ask them to sign up on the green sheet outside of the Senior Schooling office in F13 by Friday 12 August. Permission forms will be available from 15 August.

Greencross Vets – traineeships available

Greencross Vets is again offering traineeships for current Year 10 and 11 students interested in studying the Certificate II in Animal Studies (ACM20112), this time in 2015/2106 while completing their senior certificate. The program runs for one school year. This is a Nationally Recognised qualification that will allow those wanting to continue their veterinary nursing studies after school, one year of credit in the three year course to become a qualified veterinary nurse. Topics which will be covered in the program include: OHS, Assist in Animal Care, Veterinary Reception, Nutrition, Surgical and Anaesthetic Nursing, and Sustainable Work Practices. Students receive four points towards their QCE by completing this program.

If your sons / daughters are interested in this traineeship, please ask them to collect information on how to apply from Mrs John in F Block. The completed application pack must be returned by Friday 26 June 2015.

Ms Peta Wenzel – HOD Senior Schooling

Finance News

Now that the end of the financial year is approaching, the school would be delighted to receive voluntary contributions in the form of donations to:

- the Building Fund ($100) and
- the Library Fund ($50).

Other amounts will also be gratefully received.

These donations are tax deductible and tax receipts are issued directly to the family/business from which the funds are received.

Mrs Sandy Ebert, Business Services Manager

Guidance News

ADFA information session

To find out more about ADFA, please attend the next information session on Monday 15 June at the Defence Force Recruiting, Level 13, 295 Ann Street, Brisbane CBD at 6pm. Please RSVP to 13 19 01 or email cptqld@dfr.com.au

Australian Defence Force
University Open Days

QUT

QUT’s open day will be held on Sunday 26 July at the Gardens Point Campus. On the open day webpage at http://www.qut.edu.au/open-day you can register for open day to win a MacBook Air. You can also plan your day using the open day program on this site. Include a visit to the QUT Art Museum to compete in the Art Heist competition to win one of two iPad Air 2s.

Griffith

- Gold Coast: Sunday 26 July
- Nathan and South Bank: Sunday 9 August.

Visit the Griffith website for more information.

University of Queensland

- St Lucia Campus on Sunday 2 August
- Gatton Campus on Sunday 16 August.

Visit the UQ website for more information.

Australian Catholic University (ACU)

This is a great opportunity to check out the campus and the courses. It will be held from 9am–2pm on Saturday 25 July at ACU’s Brisbane campus. Register for Open Day at https://www.acu.edu.au/99146 for a chance to win $10,000 for your choice of an ACU international experience.

University of Queensland Young Scholars Program

This program provides high achieving Year 11 students with an opportunity to discover, learn and engage with UQ’s academic community and like-minded students from across Queensland. For more information, visit http://www.uq.edu.au/youngscholars/index.html. Applications will open in early June and close on Friday 7 August.

Mrs Karen Agnew/Mrs Kamal Mistry, Guidance Officers

Youth Health Nurse

Bowel Cancer Awareness Month

Yes, young people are also at risk!

Bowel Cancer Awareness Month is an annual initiative of Bowel Cancer Australia running throughout the month of June to raise public awareness of a disease that claims the lives of 77 Australians every week.

Bowel cancer is the second most common type of newly diagnosed cancer in Australia affecting both men and women almost equally and is Australia’s second biggest cancer killer after lung cancer.

For more information and free resources visit: http://www.redappleday.org/

Anxiety

We all feel anxious sometimes – it might be about exam results, a job interview or even who will win the final of a sports match. This anxiety is a normal part of life and in fact is necessary to help us avoid danger or perform at our best. For some people, the feelings of anxiety can be much more extreme. This anxiety is more than feeling stressed – it’s a serious condition that makes day-to-day life difficult.

Anxiety can be a part of your genetic and biochemical make-up, as well as a part of your personality.

Some causes of anxiety might be genetics (a history of anxiety in your family), disturbance of brain activity, or a stressful event (like a family break-up, abuse, ongoing bullying at school, sexual abuse, a death, a relationship break-up, family conflict).

There are many different types of anxiety disorders including general, social, panic, OCD (obsessive compulsive disorders) and PTSD (Post Traumatic Stress Disorders).

There are many actions you can take to manage anxiety and depression and to help you recover. Eating well, exercising regularly, pursuing hobbies, getting enough sleep and connecting with friends are all positive changes you can make to support your mental health.

For more information, options, treatments and support see your GP or visit:

**The Teal Ticket Art Union**

Mansfield High parents Karen Anderson (draw 5) and Trevor Knight (draw 6), are our latest weekly *Teal Ticket Art Union* winners, each taking home a $100 Woolworths voucher. Congratulations Karen and Trevor! There are still 13 weekly prizes to be won before the car is drawn on Wednesday 16 September. To secure your Art Union ticket, please download the flyer and follow the instructions.

**Volunteers Needed**

The P&C is looking for volunteers to help sell Teal Ticket Art Union tickets at Mt Gravatt Plaza during the first week of the school holidays. If you have a couple of hours to spare and would like to volunteer, please contact Sue Holley sholl143@eq.edu.au

**Rauchle Service Club**

**Recycle for Sight – An update**

We have now collected over 200 pairs of unused, unwanted prescription glasses and sunglasses to donate to the *Lions Recycle for Sight Australia* program. Thank you to Terry from the Salvos Store at Eight Mile Plains who saw the notice on the school sign and put aside a huge bag of unwanted reading glasses.

This program distributes regraded spectacles to many parts of the world to Lions Clubs, Rotary Clubs and other humanitarian organisations for distribution to people in need at no expense or obligation on the recipient. If you (or your family or friends) have glasses to donate, they can be given to Mrs Holley in Upper Admin or left in the yellow collection box in the Lower Office. Thank you for your support.

---

**Wishart Rotary’s Book Sale**

On the weekend of 30 May, Wishart Rotary Club again conducted a Book Sale to raise much needed funds. Our Rauchle Service Club members were happy to help out with the packing up on the Sunday afternoon. The next Book Sale will be on Saturday 17 October and Sunday 18 October at the Mt Gravatt Showgrounds with an industrial shed full of books and each book costing just $2.

**Chappy Drive 2015**

School chaplaincy is about pastoral care, not religious education. Chaplains provide for students’ emotional needs through pastoral care, helping students struggling with a wide range of issues, including: family problems, confusing relationships, peer pressure, self-esteem issues and bullying. Chaplains provide general personal and spiritual advice (when desired), comfort and support to all students and staff, regardless of their religious beliefs. Glen Petersen is our full-time Chaplain and he is passionate about seeing students become resilient and confident people.

Each year parents and community members are given the opportunity to support the vital work performed by our Chaplain. Currently this position is financed by the Federal Government for two days per week and by our School and the wider community for three days per week. If you would like to help us support Glen and the Chaplaincy program, please download the flyer, complete the tear-off slip and return it with your donation to the Upper Office. All donations over $2 are tax deductible and they must be received by the school **BEFORE Wednesday 24 June** to ensure they are processed before the end of the financial year. Alternatively, you can donate directly to MSHS Chaplaincy through the SU Qld website using the following link [https://donate.suqld.org.au/once-off/chaplaincy/?id=17389](https://donate.suqld.org.au/once-off/chaplaincy/?id=17389)

Thank you for your support.
Volunteer at the EKKA 2015

This has been advertised in the Courier Mail. However some of you might not have seen it, but you might be interested. It is a great opportunity for our students who are over 16 years of age (and anyone else in our community) to contribute. It entails preparing and selling the strawberry ice-creams at the Brisbane Exhibition. They need 3000 volunteers! See http://www.tpchfoundation.org.au/volunteer/ekka for more details.

Mrs Sue Holley, Community Liaison Officer

Chaplaincy News

World Vision - Youth Conference

I had the pleasure of accompanying five of our students who are passionate about social justice to the World Vision Youth Conference held at the Brisbane Convention Centre. The day started in an interesting way. Our students were split up according to the country on their name tags and dispersed amongst the other 700 high school students to play a simulation game. They were given the task of surviving by occupying their cardboard 'land' with small cardboard cows and houses they were to fold. These represented 'a place to sleep' and 'farms for food to eat'. With any extra time they were given cardboard buses and army tanks to make, which represented 'progress'. At a point in the game they were given the opportunity to take-over neighbouring countries by simply outnumbering their buses/tanks. All chaos broke out and Pakistan ended up winning. But did it?

During the de-brief in the auditorium, one could hear a pin drop as the students learnt that there were no winners. Their only task was to survive - they were given a 'world' with more than enough for everybody - there was perfect equality - yet with a little bit of power (tanks) they ruined it - creating all kinds of inequality.

It is obvious what the rest of the day was about! Our students were bombarded with stories and statistics related to food insecurity and global inequality, but were then inspired to see how they could make a difference in some practical areas of their lives.

Two of my notes from the day still make me feel uncomfortable:

- "Hunger is like bull ants eating your stomach out from the inside not knowing when your next meal will come" (Alex from Kenya)
- 18,000 children die every day from hunger.

"The World Vision Youth Conference was centred around two main questions, which resonated throughout the day. To conclude the conference, some students went to a microphone at the front of the room and voiced their responses to the (very large) group. It was incredibly empowering to hear what fellow young people had to say, and to acknowledge their immense passion for this cause. Hence, I encourage you to consider your personal response to the two sentences we were asked to complete:

- 'the world I see...' and
- 'I stand for...'"

( Erin Park Year 12)

(Pictured L-R are Chappy Glen, Kaisha Turner, Rachel Downes, Caitlin Cooper, Caitlyn Robinson and Erin Park.)

Date claimer

This year’s 40 Hour Famine weekend is Friday 14 August to Sunday 16 August.
