FROM THE PRINCIPAL

Pursuing quality in the classroom remains a high priority for all student and their teachers. We have been endeavouring to enable enhanced academic success by commencing the unit of work in each subject with an explanation about the assessment item. This might mean showing students the assignment task sheet or providing sample questions that might be like the questions they receive on the exam. The purpose behind this is so that each student has a clear understanding of not only what they have to produce for the assessment item, but also what content they need to know, how they communicate this, and in what mode it has to be presented.

This last point is important to note in that students who are asked to present a laboratory report, in Science for example, are taught how to do a laboratory report. Similarly, if they are asked to justify, explain, describe or whatever action they have to do in that assessment, they know what this means and how to do it. Finally, the criteria by which students will be assessed have to be made very clear to students. The best way to do this is by showing students an example of the assignment.

Building on this we are also endeavouring to enhance this through establishing learning goals at the commencement of each lesson. These goals attempt to explicitly state what it is that the teacher wants each student to know and do by the end of the lesson. This should then provide a focus for the lesson and a context within the whole unit of work.

In conclusion it is important for every child to know what they are learning, the purpose of what they are learning, and that they know how they will be assessed in relation to the criteria. As we build our collective understanding of academic processes in schools, we will together build upon and further enhance the academic rigour at Mansfield High School. The desired outcome is, of course, better academic results. I would invite you to discuss this with your child and with their teachers.

Keep shining!

LIONS YOUTH OF THE YEAR 2013

Last week, School Captain Sam Cree ably represented Mansfield High in the Griffith University Lions Club Youth of the Year competition. As the clear winner for the Club competition, Sam will now proceed to the next level of competition this coming weekend. Sam is passionate about his topic of science research leading to discovery.

The school community takes pride in congratulating Sam on his Club victory and we wish him well this weekend. We thank the Griffith University Lions Club for giving Sam this opportunity to compete in the 2013 Lions Youth of the Year Awards.

FIRST NEWSLETTER

Hopefully all of you received the first Newsletter for the year in the mail. With the letter, you would have received a participation flier, a refrigerator magnet calendar and a letter from me. Newsletters for the remainder of the year will be emailed to parents if you have registered on our website (https://mansfieldshs.eq.edu.au/Calendarandnews/Newsletters/Pages/NewsletterRegistration.aspx) or they are available on our website. Some parents have requested that a hard copy be sent home. It is not too late to do the latter. Simply complete the slip at the back of this Newsletter and drop it into Ms Edmonds in Administration. Whilst we value our environment and try to reduce the use of paper, we also value effective communication.

STUDENT RESOURCE SCHEME

It is anticipated that the statements for students to participate in our STUDENT RESOURCE SCHEME will be available in two more weeks. This scheme has been operating for a number of years and almost every family has participated in it. All parents are asked to wait until the statement is mailed to you. Payment dates and methods will be explained. Thank you so much to those parents who have paid or have been trying to pay to date. We appreciate your attention to this matter. However other parents are urged to wait for the statement.

HIGH STANDARD OF PRESENTATION

Parents, we sincerely appreciate the effort put into presenting your student/s for this year. One of our school’s ‘Values and Beliefs’ is taking pride in high standards of presentation. You can help your students by ensuring their presentation is correct before they leave home. We would be even more delighted, if you helped enforce the wearing of hats/caps by students. They are to wear them at any times that they are not in an enclosed room. Therefore they should be worn to and from school. Well done parents for encouraging this
practice. This is not just a part of our uniform but also very important in caring for our students’ health and safety. The hat should be particularly encouraged. The new sports cap may only be used on the sporting field. Congratulations to students for a wonderful start to the school year in this area.

Throughout the year, students’ hairstyles are to remain neat and conservative and with only one natural hair colour. If hair is of collar length it must be tied back five centimetres above the nape of the neck. Hair may be in a single ponytail, plait or tidy bun.

Students are able to go on to the ovals at lunchtime to pursue non-contact activities and instead of having to get changed fully into a sports uniform, they may just change into their sports joggers. Feedback on this would be appreciated.

YEAR 8 INFORMATION NIGHT/BUSH DANCE
Thank you to all who helped make the evening an outstanding success. Thank you to the many families who attended this evening. For many parents it was their first experience of having a child at high school. The Year Eights ‘bush danced’ the night away ably assisted by the Year 12 Prefects and TIP Leaders and their teachers.

OPEN DAY NO 1……Tuesday, 12 March 9am-12noon for the WHOLE SESSION beginning in the Hall
All prospective students and parents are invited to attend our first Open Day for 2013 as listed below. However because of numbers, we encourage only students from outside the catchment area to attend this time. Mansfield Primary students, regardless of where they live, are encouraged to come to the next Open Day. You will receive a guided tour of our school as well as an informative talk. Come early and enjoy listening to one of our magnificent Mansfield music ensembles. All relevant enrolment forms and information will be available on the day. Our other Open Days are: Friday 19 April and Tuesday 16 July.

Applications for enrolment will only be accepted for:

A. Students within the catchment area:
1. after attendance at an Open Day and
2. after presentation of all necessary documentation and
3. after attendance at a scheduled Parent Conference with the Principal.

B. Students outside the catchment area:
1. after attendance at an Open Day and
2. after an application package with the accompanying application fee is submitted and
3. after an interview with the Principal.

Our catchment map is on our website: https://mansfieldshs.eq.edu.au/Supportandresources/Formsanddocuments/Documents/enrolments-catchment-area-map.pdf

FROM REPORT CARD TO OP & ARE MY SUBJECTS APPROPRIATE FOR ME?
Year 10 to Year 12 Parent and Student Information Night – Wednesday 27 February 6.30pm – 8pm
How are OPs calculated? Which subjects should I choose to get a high OP? Is this subject right for me? What if I’m not doing as well as I hoped – should I continue studying these subjects? Students will be receiving an invitation with further information. On the invitation will be a tear-off slip to return to Ms Edmonds in the Administration by Monday 25 February.

PARKING RESTRICTIONS
Please do not set down, collect or park in any of the restricted zones near the entrances of the school, particularly the Broadwater Road Entrance near the Administration Building and the Ham Road Entrance near the Music Block. Please note that outside the Administration Building is a ‘NO STANDING’ zone that is frequently patrolled by the police or Council officers and the fines are heavy. Wherever there is a YELLOW LINE, vehicles are not to stop. Please DO NOT DRIVE INTO THE SCHOOL GROUNDS OR SCHOOL DRIVEWAYS at any time, including the Ham Road entrance to the Music Centre, other than to collect a sick student from the Administration Block or for evening functions. There are many safe areas along Broadwater Road west of Ham Road for drop-off and pick-up. It would be appreciated if you would arrange to collect your student from a designated meeting place some one hundred metres away from the school. Thank you for trying to make our school environment safer. It is so important!

MESSAGES
Parents/Guardians are requested to phone the school with a message for a student in an emergency situation only. This will ensure the efficient running of our school of over 1700 students. Day to day matters such as where to collect students need to be discussed prior to students arriving at the school in the morning. Parents bringing items left at home to school for students such as lunches, forms or sports items, must be a rare occurrence. Messages for students may only be passed on from parents or guardians.

CALENDAR OF EVENTS
By now all students will have received a copy of the Semester One Calendar of Events. It should be glued into Page 32 of the Student Handbook. Students need to highlight appropriate ASSESSMENT items in one colour and relevant ACTIVITIES in another colour. Students should transfer these items into their Student Handbooks. A copy of the Calendar of Events (for Semester One and a DRAFT of Semester Two) will be placed on our website. You may find it useful for your own reference.

EXTERNAL SENIOR EXAMS
Year 12 students wishing to apply to sit External Senior Examinations, particularly in the area of languages other than English, need to see Miss Sullivan, in D-Block, this week. Students who sit for these exams usually have the results credited towards their OP. Students are eligible to sit a maximum of two examinations if they cannot study the subject/s at school. Students must be able to demonstrate they are receiving an appropriate level of tuition in the examination subject. All examinations occur in October and November 2013. Registration and payment is due by 30 April 2013.
LOTE NEWS
French Visitors
A very warm welcome to our visitors from Jean Baptiste de la Salle, our sister school in Rouen, France. Madame Venner, Monsieur Pezot and Laurence (a former parent and P&C President) are accompanying the 23 visiting students during their 15 day stay. Our visitors have kept busy sightseeing in Brisbane City and visiting Currumbin Sanctuary and O’Reilly’s. They are currently on an overnight farm stay at Cedar Glen and will be going surfing at Noosa. The students have even managed to find time to sit in on some class with their Mansfield hosts. A group of Mansfield students will travel to Rouen in September to spend time with their new friends and experience life in France. This exchange between the two schools has been happening every two years since 1999. We wish them all a safe journey home and look forward to the next visit in 2015.

Sixth Australian Computational Olympiads – Ozclo
What Is It? An on-line competition open to any student interested in English, languages and computing or enjoy solving puzzles and problems.
Who Can Enter? Any Year 9 to 12 student. You are part of a Junior or Senior team. There is no limit to the number of teams.
How Can I And My Team Mates Enter? See Mrs Kokot in B 13 and you will be registered.
When Is The Competition? The Queensland Regional Competition will be held fully on-line on Thursday, 7 March 2013.
What Happens If We Do Really Well? The top three teams from the Queensland Regional round then competes in the national round against all other regions which will be held on Tuesday, 26 March, 2013 at Griffith University, Southbank Campus. The winning team of the National Competition is eligible to represent Australia overseas in the finals of the 11th International Linguistics Olympiads in July, 2013 in Manchester, the United Kingdom.

MATHS NEWS
Introduction to High School Maths – Year 8 Parents
Wednesday 6 March 1 - 3pm OR 7 - 9pm
This is the final opportunity Year 8 parents have to register for this very special event. Both sessions are conducted by Mr Peter Broome (Head of Department - Mathematics) and parents/guardians have the choice of either the afternoon or evening session. You do not attend both, unless you would like to. The two sessions give everyone the opportunity to attend the session of your choice. The programme gives parents and guardians an overview of the Year 8 curriculum and allows you to become familiar with the text book and the QAX programme offered at the school. Mr Broome will even teach you some Year 8 Maths so that you may feel competent and confident when you are helping your student/s. This knowledge benefits you and your student/s throughout their entire high school years. Don’t miss out on this once in a lifetime opportunity. If you have not returned a form already, please print and complete the tear-off slip at the end of this newsletter and return it to the Upper Office before Monday 4 March.

RESOURCE CENTRE NEWS
We welcome our new Teacher Librarian, Mrs Jenepher Bowler (pictured right), to the Resource Centre this year. Jenepher has over 16 years of experience as a secondary Teacher Librarian and is passionate about promoting information literacy skills to our students. Welcome Jenepher!

We have just completed all of our Year 8 Resource Centre orientation tours, and answered lots of questions from our eager Year 8 students. It is wonderful to see them visiting the library with many of them already borrowing books and making use of the Reading Room. We remind all students that ID cards are required for borrowing at all times. Students are also encouraged to seek assistance from our Teacher Librarians with any of their research tasks during the year ahead as we are here to help.

Reading Group
Calling all readers! The first meeting of the Reading Group will be held this Thursday 21 February at 3.15pm in the Resource Centre. Any students wishing to participate should give their names to Mrs Nibbs in the Library. Parents and friends wishing to participate should call Mrs Sue Holley on 3452 5337. We would love to see lots of new parents and staff members join this group in 2012. Afternoon tea is supplied. Hope to see you there!
SCIENCE NEWS
Nano Science - The Professor Harry Messel International Science School (ISS2013)
The ISS2013’s theme is Nanoscience: small wonders, big future. It will bring together top international and Australian nanoscience experts - along with leaders from the breadth of science, including keynote speaker and Nobel prize-winning cosmologist Professor Brian Schmidt. There will also be many hands-on workshops, lab tours and social activities.
When: 30 June - 13 July 2013. Where: School of Physics, The University of Sydney, Camperdown campus. The ISS2013 is a two-week residential science camp held from 30 June to 13 July 2013. It brings together 150 high achieving high school science students from ten countries for two weeks for this amazing experience. Students apply online for a scholarship to attend to the ISS. Applicants are open to students in Year 11 and 12 in 2013. For more information about the program and to find out how to apply (including the application criteria) go to http://www.physics.usyd.edu.au/foundation/iss/iss_2013/index.shtml. Applications close: 21 February 2013

SOSE NEWS
UN Youth Queensland is pleased to invite students at Mansfield High School in Years 10-12 to attend the Queensland State Summit 2013. The Summit is a 3 day residential conference with a focus on social justice, foreign affairs, youth issues, the UN and leadership. The State Summit is a way for youth to become engaged in the world around them, share ideas, debate, learn more about issues facing Australia and the International community, and meet young people from around Queensland. Each year State Summit attracts more than 120 politically engaged students. The opening speaker for Summit 2013 will be the Hon Kevin Rudd MP. Watch the Summit 2013 Video.
The theme of Summit 2013 is The Number Games. A growing population means the world is facing new challenges. Summit 2013 will focus on issues surrounding our growing numbers, such as globalisation, climate change, food and resource crises and a changing international political structure.
Summit 2013 will take place from Friday 8 March 9am — Sunday 10 March 5pm. Early registration is advised, as places are strictly limited to 120 and fill up quickly. Registration is online at unyouth.org.au/qld. If you would like more information, you can visit the website. If you have questions please contact Amy Cash, Vice-President (Communication) on 0421789894 or email: qldvcomms@unyouth.org.au.

SPORT NEWS
Representative Sport
Congratulations to Kyle Mellon, Michelle Lim, Lachlan Ashworth, Mitchell Bradbrook, Jessica Ashworth and Sydney O’Riley for selection in the Metropolitan East Triathlon team which competed in the State Championships last weekend.
Well done to Sebastian Berwick who was selected in the QLD Junior track cycling team to compete in the Australian Junior Track cycling Championships.

Interschool Sport
This week in interschool sport we play Rochedale High (boys will travel).
Last week fixtures began with 32 teams and 390 students involved in summer interschool sport.

Swimming Carnival 2013
On Monday 11 February, Mansfield High held its swimming carnival. The day was made extremely successful by the impressive efforts that both staff and students put in! As usual, the fight for the top prize was fierce, with congratulations going to all the students who participated, as every point counted in the end. The winner at the end of the day was U Thant, with Hammarskjold coming in second. There were some inspiring individual results also, with the following students taking out the runner-up and overall positions in the age championship competition:

13 years
Boys: 1. Matt Cowan
       2. Ryan Magee
Girls: 1. Sydney O’Riley
       2. Stella Karanasios
       Congratulations to the following students who broke records:
       Joe Chen
       100m Freestyle and
       100m Breaststroke
       Jake Ross
       50m Butterfly
       U Thant House
       4 x 50m Freestyle 17 Years Relay

14 years
Boys: 1. Ryan Winters
       2. Matthew Phillips
Girls: 1. Alicia Kane
       2. Trinity Rhodes

15 years
Boys: 1. Matthew Davis
       2. Luke Davies
Girls: 1. Wenona Cramp-Church
       2. Caitlin Proffe
       U Thant House
       4 x 50m Freestyle 17 Years Relay
       Again, congratulations to all competitors and a huge thank you to all the staff and students who made the day run so effortlessly. Overall, a fantastic day was had by all!
GUIDANCE NEWS

Study Smarter: Planning your time - Tips for Students

Effective planning often determines success and is the key to assisting to reduce unnecessary stress. Here are some tips to plan your time more effectively:

**Long-term planning**
- Organise a yearly calendar – record due dates for assessment items/exams (this is noted on students’ assessment calendar), family commitments, as well as school holidays. Note down when to begin writing for assessment items and revising for exams (break assessment items into smaller goals – work backwards from due dates). Place this schedule where it will remind you of your long-term commitments and help you set weekly goals.

**Short-term planning**
- Weekly schedule – allocate time to fixed activities and commitments such as meals, sleeping, travel, employment and sporting fixtures. Think about when is the best time your mind is able to concentrate on studying and how you work best (is it short sittings of 1-2 hours or are longer periods more effective?). Make sure you reward yourself with regular breaks, get a drink or snack, go for a walk. Allocate time to more flexible, regular activities such as relaxation, recreation and housework. Divide large tasks into smaller manageable sections by creating ‘To Do Lists’ (Focus on tasks that need to be completed in each study session for that week). Re-examine schedule regularly and make changes if required (remember quality of study not quantity).

MUSIC NEWS - Jump Start Day

Last Monday was a very exciting day for the beginner string students from Mansfield and Wishart State Schools, as they had their first official lesson on their new instruments. Under the guidance of their teachers, the Year 3 students learned the Rosin Rap, the Bow Hold Song and how to care for their instruments. A small group of our advanced string players volunteered their time to act as mentors to the younger musicians, demonstrating what can be achieved with hard work and dedication.

COMMUNITY NEWS

Exchange Student

Rotary Exchange Student, Csaba Toth (pictured right) is from Debrecen in Hungary and will spend the next twelve months in Australia learning English, making new friends and experiencing the Australian way of life. Like many teenage boys, Csaba enjoys playing soccer, basketball, spending time with friends and surfing the internet. At home he has three older sisters and a younger brother and while he is in Australia, he will be living with host families from his sponsoring club, the Rotary Club of Wishart. Csaba arrived in Australia on 24 January, just in time for the “weather event”. The three days of wild wind and rain was not the good weather he was expecting. While he is here, Csaba would like to see some of our native animals and try surfing. Welcome to Mansfield, Csaba! We hope you enjoy your stay.

If anyone is interested in learning more about the Rotary Youth Exchange Program, please visit [http://rotaryyouthexchange.org.au/](http://rotaryyouthexchange.org.au/)

Canteen News

Thank you to those people who have already offered to assist in the Canteen this year. Rosalie and Debbie are still looking for volunteers to fill their roster. The canteen is a very busy place so even if you can only commit to a couple of hours over the lunch period, rather than the whole day, your assistance will be appreciated. Just fill in the tear-off slip at the end of the newsletter and return it to the UPPER OFFICE. Alternatively you can call Rosalie or Debbie on 3452 5323 to discuss your availability. Canteen duty is not just for Mums - Dads are most welcome!
Uniform Shop News

Pullovers

Last Thursday, students new to the school had the opportunity to try on the school pullover. The order forms were due back to the Uniform Shop this week. They are to be handed in to the Uniform Shop, which is open on Tuesdays and Thursdays from 7.30am until 9.15am. Please try to finalise this this week. When students collect their orders, if parents wish to change the sizing, please return the item in perfect condition to the Uniform Shop.

Hats

Last year some broad-brimmed hats were not manufactured appropriately. The crown became very ‘squashy’ and would not stand up by itself. We have been exchanging these hats for free, if they were otherwise in good condition. Some students are still in possession of these hats. **They need to be replaced at the Uniform Shop by the end of February at no cost to the student.** After this, students will need to buy new hats if they are wearing these inappropriate hats.

Quality

We take pride in the quality of our uniform items. If at any stage you have concerns about quality of any items, please inform our Uniform Shop Convenor, Mrs Anne Rattu on 3452 5357, on Tuesdays and Thursdays from 7.30am until 9.15am. If this is not possible, simply leave a message for Mrs Rattu to contact you.

P & C Membership 2013

All parents, guardians and friends of our school are cordially invited to become members of our Parents and Citizens’ Association. Our active P&C works closely with the school to achieve common goals and to build a stronger school community where all students benefit. We need people from all walks of life and with a range of talents who are committed to delivering great outcomes for their children and school. P&C meetings are held on the 4th Thursday of the month at 7.30pm in the Administration Block Common Room. Membership does not mean you have to attend meetings. However it does entitle you to vote on matters pertaining to our school. At the end of this Newsletter is a **P & C Membership tear-off slip which you are invited to complete and return to the UPPER OFFICE.** Please note that membership must be renewed on an annual basis. All memberships received before the date of the Annual General Meeting on Thursday 28 February will be automatically accepted at that meeting.

P & C Annual General Meeting

**Thursday 28 February, 7.30pm Common Room**

Everyone is invited to attend the Annual General Meeting of the P&C. Memberships must be renewed every year as per the P&C Constitution and all new memberships and renewals received prior to the AGM will automatically be accepted. The first meeting of the P&C for this year will immediately follow the AGM.

Environmental Council

Clean Up Australia Day - Friday 1 March - all day

Australia is renowned for its golden coasts, crashing surf, spectacular reefs and vast range of wildlife. However, litter is threatening our precious wildlife and being a hindrance to the conservation and maintenance of our land. According to the National Litter Index Report from the conservation organisation, **Keep Australia Beautiful**, Queensland has the second highest score in the country for the number of litter items per 1000 square metres. Littering is a multi-million dollar expense for our community: it builds up in the drainage system and increases the chances of flooding and erosion; creates hazards for humans (broken glass, needles and syringes); damages the quality of water (more algae, less oxygen); and attracts pests and vermin. What is more, it’s unsightly. The costs attached to littering can increase even further if a fire starts from a lit cigarette on the ground. At Mansfield High we will be participating in the **Clean Up Australia Day** for schools on Friday 1 March. We encourage you to follow our lead and join in on the official Clean Up Australia Day on Sunday 3 March. Together we can help to restore the health of our environment and benefit future generations. **By Joanne Hew (Writer for the Environmental Council)**

Introducing Guppy…

Guppy is the Koala the Environmental Council sponsors through the **Save the Koala Foundation**. Guppy was born on 24 October 2008 and enjoys life at the Lone Pine Sanctuary. Later in the term we will be fundraising to continue her sponsorship.

Mobile Muster

Not sure what to do with the old phones cluttering up your kitchen drawer? We can help! Just drop your old phone and accessories into the Mobile Muster collection box in the library. Mobile Muster is able to recycle 90% of the materials in mobile phones, as well as batteries and chargers. This is such an easy way to help our environment. Thank you for your support!

Chaplaincy Program - How can I make a donation to the Chaplaincy Program?

If you would like to make a one-off donation or become a regular supporter of the Chaplaincy program, the process is simple. Just complete the Chaplaincy slip at the end of this newsletter and return it to the Upper office. Alternatively you may visit the **Scripture Union Queensland** website [http://www.sugld.org.au/](http://www.sugld.org.au/) to make a donation. The Chaplaincy Drive will take place in Term 2. All donations over $2 are tax deductible and receipts will be issued. Thank you for your support.
Rauchle Service Club
All students from Year 8 through to Year 12 are welcome to join the Rauchle Service Club and assist us in our endeavours to make a difference in the wider community.

Pancake Day, Tuesday 5 March Lunchtime at the Hall

Price List
Pancake with syrup $2
Pancake with syrup & ice cream $2.50
Cold drinks $1.50
Meal deal with the lot $3.50

Not to be missed!

Smith Family Reader2Reader Programme
Year 9 and 10 students involved in the Rauchle Service Club are invited to become buddies in the Smith Family student2student program. The program works by matching students from Years 3 to 8 who have reading difficulties with older students (buddies) who have high literacy skills from a different school in order to develop the reading skills of the younger students. The buddies are required to telephone their young readers once or twice a week and listen to them read for 20 minutes. The program operates during Terms 2 and 3 and is very rewarding for all involved. Any students interested in becoming buddies should see Mrs Holley in Admin.

Student Achievements
We love to hear all about the wonderful achievements of our students, whether they be sporting, musical, cultural, or service. We also like to share this news with our community and the wider public. If you have a story to tell us, please contact Mrs Holley on 3452 5337 or email sholl143@eq.edu.au We just love to share the good news.
