FROM THE PRINCIPAL

De-mystifying assessment and ensuring students know what is required of them and are able to deconstruct high quality exemplars of the assessment item enables students greater capacity to show what they know and are able to do. Furthermore, when a student is explicitly taught the assessment type (for example, a narrative or a persuasive text) and the criteria by which they are assessed, this creates a situation whereby students achieve better results. My ongoing professional concern is that students may not achieve the results of which they are truly capable simply because the assessment item, its demands and the criteria by which judgements are made, are unclear or uncertain to them.

Assessment should not be a surprise! Likewise, reporting should provide feedback as to how students are progressing. This feedback, coupled with the strategies for improvement that have been developed in conjunction with the teacher at parent/teacher/student interviews, should now provide a clear and explicit improvement strategy for students to focus on for the remainder of the semester.

Keep shining!

MESSAGES

Parents/Guardians are requested to phone the school with a message for a student in an emergency situation only. This will ensure the efficient running of our school of over 1600 students. Day to day matters such as where to collect students need to be discussed prior to students arriving at the school in the morning. Parents bringing items left at home to school for students such as lunches, forms or sports items, must be a rare occurrence. Messages for students may only be passed on from parents or guardians.

REAL WORLD EXPERIENCE FOR EXCEPTIONAL STUDENT

Former Mansfield High Student, Timothy Liu (Year 12 – 2011) has been selected for QUT Business School’s Corporate Partners in Excellence Program (CPIE). The Corporate Partners involved in the program provide students with real world experience in their desired professions and, in turn, benefit from the opportunity to recruit exceptional students into their businesses when they have completed their studies. This year, Timothy will undertake a 15 week internship which will provide him with professional experience with an individual mentor. He will complete a second internship in 2013 with a different mentor. Congratulations Timothy!

QUEENSLAND HIGH SCHOOL STUDENTS TO EXPERIENCE THE ANZAC SPIRIT

Premier Campbell Newman and Education Minister John-Paul Langbroek today launched a competition inviting all Queensland high school students to win a chance to experience the ANZAC spirit first hand. Premier Campbell Newman said the LNP Government would spend $1 million over three years to send 50 students to ANZAC Cove in Gallipoli and the Western Front. "This is a once in a lifetime opportunity for five young adults to attend ceremonies marking ANZAC Day at Gallipoli and across the Western Front in 2013 and 2014, culminating in a major delegation of 40 to attend the 2015 centenary commemoration," Mr Newman said.

"We understand that ANZAC Day is owned by all Australians and recognise that the tradition of respecting the sacrifice of our forefathers must be passed down through the coming generations. "This is why ongoing education and initiatives like this are so important."

John-Paul Langbroek, the Minister for Education, Training and Employment said all Queensland High School students will be eligible to enter each year. "The LNP believes that it is vital our students, the first generations of school children to grow up without a surviving ANZAC, keep the tradition strong," Mr Langbroek said. "We want to ensure the Centenary of ANZAC Day in 2015 is as big as Queensland schools can make it as a mark of respect."

High school students from around the state are invited to develop a multimedia presentation addressing three themes:

- How the ANZAC tradition has shaped our nation;
- Why the ANZAC tradition is still important; and
- How generations will continue to keep the tradition alive.
Applications will open in the first week of Term Three (9-13 July) and close at the end of Term Three (21 September). Winners will be announced by the end of the school year (14 December). For more information on how to enter, please contact the Department of Education and Training on 3237 0661 or email international.services@deta.qld.gov.au.

SENIOR FORMAL...“A NIGHT TO REMEMBER”
From the moment Year 8 students overcome their fear of starting high school, a new event takes its place. This is the event that consumes the Year 12 cohort from the first day of their last year. This is the event that Mansfieldians dream of for years, plan for twelve months and enjoy for a single evening. This is the event that surpasses all others. This is the Senior Formal.

On the 27 April, this year’s Seniors attended their Formal. Amidst a myriad of colour and laughter, the ladies glittered in the candlelight and the gentlemen brimmed with chivalry. A Brisbane Convention Centre ballroom had been transformed into a wonderland of silver and blue. Couples waltzed and gentle chatter of excitement was heard during the three course meal. The event itself was delicious, delectable and indescribable. For this one night, nothing else mattered. For this one evening all of our Senior students united as never before and the sense of oneness was thrilling. The formal itself comes and goes all too quickly (trust me) and it’s almost over before it’s begun. However for the next few days, Facebook is flooded with thousands of photos and it’s impossible to choose a display picture.

I cannot describe to you that overwhelming joy that rushes through a girl as she steps into her formal dress after hours of hair and make-up preparations. She believes that she will never be more beautiful. Nor can I describe the feeling of stepping out of a limousine to the flashing of cameras and the excited cries of our fellow school mates. The same applies to being asked to dance, seeing hours of hard work pay off and watching those boys who were so annoying in earlier years, act like young men. It is all these aspects that make the night so spectacular. There are no words to illustrate just how intricately beautiful the Senior Formal is. It’s like a tapestry; emotions are interwoven with memories, framed by a sense of coming-of-age. It marks the beginning of the end of our high school journey. At the moment Year 12s are overcome by nostalgia, lost in a reverie. There are more than a few Seniors suffering from post-formal melancholy. However after a long weekend we’ll undoubtedly be back into the swing of things, working towards the QCS Test and our various after-school pursuits. Soon the Year 11s will begin to purchase dresses and the ‘it’s-our-turn-next’ buzz will occur. However for now, we’re going to enjoy the moment because the evening of the Senior Formal truly is the best night of high school.

A HUGE thank you to Mrs Sue Earl for the beautiful floral arrangements for the Senior Formal. They were magnificent!

ENGLISH NEWS

Live Performances
Last week all Year 8 and 11 students had the privilege of watching the Shake and Stir Theatre Troupe present a play for them. The Year 8 students watched Say it to my Facebook which looks at the issues surrounding cyberbullying, online gaming and internet addictions. Year 11s watched Chop Logic – excerpts of Shakespearean plays in a modern Master Chef-style setting. They received some valuable tips at the end for performing their English Monologues. Students were unanimous in expressing their significant appreciation of these performances.

Digital Story Competition 2012
The English Teachers’ Association of Qld (ETAQ) is proud to offer a digital story competition. Entries are invited for both Junior and Senior sections. There are cash prizes of $200 for first place, $100 for second place and $50 for third place. For further details, go to www.etaq.org.au

IT NEWS

New Library Trainee Started At The Beginning Of May
Tyler Nobelen is Mansfield High School’s new school based trainee in the Resource Centre studying his Certificate III in Business. The addition of many new laptops/laptop trolleys in our school has created a fantastic opportunity for us to employ a trainee. Tyler is based in the Resource Centre each day before and after school to help manage the task of administering over 730 laptops. The teacher librarians have welcomed his assistance in this enormous task as Tyler can help ensure laptops are ready for home borrowing as well as borrowing for classes. His involvement in managing resources and “customers” in the library will allow him to apply what he is learning in his business course.

Despite some initial teething problems with our laptops with which we are now coming to grips, the laptops are heavily booked each day and teachers have said that the additional computers are having a major impact on the quality of learning in their lessons.
MUSIC NEWS
After much speculation and heated debate amongst the student body, it has been announced that the musical this year will be **THE WIZARD OF OZ**. Rehearsals are underway and the public performances will be held on the 16, 17 and 18 August.

FEAST – July 2012
FEAST is a five day residential program designed to help students discover the huge range of exciting and rewarding science careers in the agriculture, animal and food industries. With more than 2000 unfilled jobs available each year for university graduates in the agriculture, animal science and food sectors, students will find out more about these careers and the study pathways available to become part of this exciting future. FEAST is open to Year 11 and 12 students and will be held at the UQ Gatton Campus from 1-5 July 2012. Registrations close on 18 May 2012. For information, contact: Email: feast@uq.edu.au  Web: science.uq.edu.au/feast

PACE Open Day – 19 August
The UQ School of Pharmacy will be hosting its annual Pharmacy Open Day on Sunday 19 August, 2012. This is a fantastic opportunity for secondary school students and staff to tour the brand new Pharmacy Australia Centre of Excellence and find out more about UQ’s Bachelor of Pharmacy program. Guests may talk to current students about their experiences and discover more about the exciting field of work. For information, contact: Phone: (07) 3346 1926 Email: s.dunn@uq.edu.au  Web: uq.edu.au/pharmacy/openday

News from University of Qld (UQ)
Registrations are now open for the Careers that Shape the World experience day to be held on Thursday 12 July at UQ’s St Lucia campus. Developed specifically for Year 11 and 12 students, this university-wide initiative provides a wide variety of workshops focusing on career outcomes across all fields of education. To avoid disappointment, please enrol early. Students must register online. For information, contact: Phone: (07) 3365 8820 Email: shapeyourworld@uq.edu.au  Web: uq.edu.au/shapeyourworld

School Holiday Campus Tours
Students do not have to wait until they are studying at UQ to visit one of its first-class campuses. A guided on-campus tour is a fantastic opportunity to get a closer look at University life, ask questions, talk to current students and see the facilities first-hand. Tours generally take about an hour and information packs are provided for all visitors. The next school holidays campus tours will be held from Monday 25 June – Friday 29 June, and from Monday 2 July – Friday 6 July. For more information, and to book a tour, visit uq.edu.au/campustours

Parenting Program – Triple P
Brisbane Family Psychology is a not-for-profit organisation which works with healthcare providers and the community to provide innovative health support solutions. It is conducting a Triple P: Positive Parenting Program group at the Salisbury clinic, over two Saturdays in May and June. It is offered at a reduced cost, in order to ensure as many parents as possible have access. Their next group is being held on Saturday 19 May and Saturday 2 June, from 9.15am to 3pm each day.

SCHOOL COMMUNITY NEWS
P & C Meeting - Date Claimer
Thursday 25 May 7.30pm in the Administration Block Common Room.
All are welcome to attend.

Faulty Lexar Memory Sticks
A number of the Lexar memory sticks purchased through Sequel Books earlier this year, have proven to be faulty. Any student with a faulty Lexar memory stick should phone Lexar directly on 02 8923 4500, between 9am to 5pm, and explain the fault. Lexar will approve their return and provide a mailing address. They will replace the drive once the faulty drive has been posted to them. The turnaround time is approximately 2 weeks. The company has emphasised that they have no facilities to retrieve lost data.

Mallory is Making a Difference
Mallory Johnstone (Year 9), is one Mansfield High student who is working hard to make a difference in her community. A member of the Pacific Golf Club at Carindale, Mallory was selected into a junior development squad at the end of last year, receiving a coaching scholarship for 2012. In March, Mallory used her contacts at the Golf Club to hold a fundraising raffle benefitting Epilepsy Queensland. She spent many hours selling tickets and raising awareness of epilepsy and last month she was able to present a cheque for $1,000 to the CEO of Epilepsy Queensland, Ms Helen Whitehead. Mallory is also a regular volunteer for Epilepsy Queensland and is using the experience to complete the requirements of a Duke of Edinburgh Award. Later this year, a photograph of Mallory and Australian golfer, Katherine Hull will be part of a photographic exhibition which will run in conjunction with the London Olympic Games. The theme of the exhibition is ‘Stand up for Epilepsy’ and encourages young people with epilepsy to pursue their sporting goals.

Mater Little Miracles 5ks – Sunday June 3 2012
Mater Little Miracles 5ks is a family event which helps thousands of sick children, mothers and babies. This year participants are encouraged to come dressed as Super Heroes and walk to make little miracles happen at Mater. The entertainment will start at 9am and the walk will start at 10am. You can register yourself, your team or family online at www.materfoundation.org.au or call 1800440155.
Dubai Delegation Visits Mansfield High

Last week Mansfield High was delighted to welcome seven senior educators from Dubai for a short information gathering visit. Their main purpose was to view and discuss our Information Technology programme with particular emphasis on our Mansfield High Technologically Integrated Curriculum. Dr Essa Al Bastaki, Mr Haman Al Mansoori, Mr Abdullah Al Marri, Mr Marwan Al Sawaleh, Ms Fatima Abbas, Ms Khulook Al Qassimi and Ms Fatima Al Khaja undertook a short tour of the School and observed lessons in Mr Redhead and Ms Sharp’s TIC classrooms. Mr Price, Head of Technology, gave a very informative presentation of the technology programmes in the School and our visitors participated with many questions which Mr Price fielded brilliantly. We sincerely thank our visitors for the splendid gift they presented to the School and the entire visit was a delight. We thank Mrs Burfoot for organising the programme for the visit and hopefully this will be only the first of other visits from members of this very interesting country.

QUEENSLAND CORE SKILLS TEST REPRESENTATIVES
Expression of Interest – Administration of Core Skills Test

The Queensland Core Skills (QCS) Test is administered each year by the Queensland Studies Authority. This test is held at designated test centres. For reasons of public accountability, security of test materials and proper conduct of the test, the Authority appoints to each test centre, members of the community who carry out certain duties on behalf of the Authority as Chief Community Representatives and Community Representatives.

Chief Community Representatives and Community Representatives do NOT supervise the administration of the test. The duty of these representatives is to report to the Authority office on the conduct of the test. In 2012 the test will be conducted on Tuesday 4 September and Wednesday 5 September. Expressions of Interest are invited from members of the community who are interested in being nominated for the representative positions. Payments are made. Further information and an application package can be obtained from the school’s Upper Office. As the closing date/time for all positions is 3pm on Friday 11 May, interested people need to collect, complete and return an application package to the school office by then.

CHAPLAINCY NEWS
Support Chaplaincy!

Each year in Term 2, the school gives parents and community members the opportunity to support the vital work performed by our Chaplain, Ben Cherry. Ben is available to our students, their families and our staff regardless of their beliefs. He is always ready to provide a listening ear and caring presence for those struggling. Ben also organises positive, fun activities for our students and works hard to foster a supportive, caring school community. If you would like to financially support the Chaplaincy program, please print and complete the slip at the end of this newsletter and forward it along with your donation to the Upper Office. All donations of $2 or more are tax deductible and a receipt for income tax purposes will be forwarded to you before the end of the Financial Year. Thank you for your support. In the next Newsletter, we will feature our very successful Chaplaincy Day that was conducted last Friday.

ENVIRONMENTAL COUNCIL
Posters Competition

Entries close for the Poster Competition at the end of this week, but there is still time to get creative. The message is - When you leave the room - turn off the lights, turn off the fans, turn off the computer monitors. The goal is to increase general awareness about the environmental impact of our carbon footprint and reduce the amount of electricity used in our school. Completed posters can be saved on the student common drive in the folder called Environment – Poster comp which can be found in the year level folder appropriate to your year level. If you have any problems, see Mrs Holley.

RAUCHLE SERVICE CLUB
Coming soon…

Wiishart Rotary – Book Sale – Saturday and Sunday 26 and 27 May

All members of the Rauchle Service Club are encouraged to assist with the Wishart Rotary Club’s book sale, a fundraising event that benefits many organisations within our community. We have a number of volunteers who are able to help keep the tables well stocked and tidy over the weekend; however we are still in need of 15 volunteers (parent help is also welcome) to help pack up unsold books from 3-5pm on the Sunday afternoon. This is a huge job and our assistance is essential to the success of the event. If you are able to help with the Sunday afternoon pack up, please contact Mrs Holley sholl143@eq.edu.au.

SCHOOL NURSE NEWS
Food Allergy Awareness 14 – 18 May. This year’s theme is “Aussies with Allergies – food allergy does not discriminate”.

Food Allergies - what you need to know:

Approximately 400,000 (2%) Australians suffer from Food Allergies. Approximately 1 in 20 children suffer from food allergies with some experiencing a life threatening, allergic reaction called anaphylaxis. Anaphylaxis is a sudden and severe reaction that involves different areas of the body at the same time. The first signs of an allergic reaction may be mild or moderate but symptoms can progress very quickly and become a life threatening medical emergency. It is important to act fast and get help fast when someone is having any signs of an allergic reaction. Signs and symptoms of an allergic reaction may occur almost immediately after eating or most often within 20 minutes to 2 hours after eating and may present as:

- **Face:** Rash, hives, welts, swelling of lips, eyes and face and tingling in mouth
- **Airway:** Swelling of tongue, tightness of throat, difficulty breathing, swallowing and speaking
- **Stomach:** Abdominal pain, vomiting, diarrhoea
- **Total body:** Rash, redness, swelling, weakness, paleness, sense of doom, collapse or loss of consciousness.
Peanuts, tree nuts (walnuts, almonds, cashews, pistachios, and pecans), fish, shellfish, eggs, milk, sesame, and soy products cause 90 percent of allergic reactions; however, any food can trigger anaphylaxis. Some extremely sensitive individuals can react to just the smell of particular foods being cooked (eg. fish) or even kissing someone who has eaten the food they’re allergic to can cause a life-threatening reaction. Currently there is NO CURE for food allergies. Avoidance of the food triggers is the only way to prevent allergic reactions. If you suspect a food has caused a reaction, avoid that food, though never self diagnose; seek medical advice, talk with your doctor and have it investigated. If you know you have a food allergy then always avoid that specific food trigger. If you are worried about a serious reaction, call an ambulance or go directly to hospital. Information sourced from www.allergyfacts.org.au. For more information visit the Food Allergy Awareness Week Website at www.foodallergyaware.com.au.
