FROM THE PRINCIPAL

It is time for us to work together with our young people to ensure they have, what some of the research suggests, *Digital Manners*, that is, in their interactions with others on the internet and other electronic devices. An interesting website [http://www.educatorstechnology.com](http://www.educatorstechnology.com) may provide parents with some advice about how to do this at home. In summary the website indicates that everyone who uses technology related devices has a responsibility to have digital manners. This means that when we use technology: we are responsible and ethical; we promote civility and respect; we understand rights and responsibilities; and we use technology in positive and meaningful ways.

Whilst Mansfield is almost unique in the quality and the school culture and the harmony with which so many students interact together in such a caring and compassionate way, the school culture is, in some ways, our greatest attribute. It is unfortunate indeed that there are times when this is compromised. On the odd occasion that this occurs, it is invariably because of something that occurred on social media. In fact, if we were to exclude these outside school incidents, the number of in-school related bullying incidents would be almost non-existent.

While some may argue that the school has little right to be involved in events that happen outside of the school, every parent and every child needs to be aware that when the student is signed up to be a Mansfield student, the student is also signing up to become a Mansfield citizen. We require that each student is genuinely cared for regardless of where and when. I cannot, and nor can the teachers and other staff, stand by while one of our children is given a ‘hard time’ regardless of where and when it occurs.

To this end, we are working on educating our students in their digital manners, rights and responsibilities in new and more explicit ways through our curriculum.

I would like to conclude, by saying how appreciative I am of the effort that students have gone to in preparing for their end of semester assessment. I also realise that parents will have had a significant contribution in supporting their children on the home front. Enjoy the holiday ahead...beginning when the student arrives home this Friday afternoon.

Keep shining!

YOUR IDEAS ARE STILL WANTED FOR OUR STUDENT DEVELOPMENT PROGRAM

In addition to gaining significantly from the various opportunities available through our school’s academic, cultural, service and sport programs, *what skills and knowledge should graduates of Mansfield High School have acquired during their years at our school?*

Next year all year levels will have about an hour per week, mainly in form class groups, in which various essential and enrichment aspects will be covered. These will range from *study skills* to *time management* to *stress management* to *tax file numbers* to *QCS Test preparation* to *etiquette* to *careers education* to *conflict resolution* to ??????

We are very interested in finding out other topics that parents, the wider community and students consider important. Obviously we cannot cover everything; however your ideas are sought so that we can create a well-balanced program. If you have ideas about the content of the program and suggestions about any human or material resources available, please email them to: Att Deputy Principal, Ms Barbara Clarke - info@mansfieldshs.eq.edu.au. Thank you to community members who have contributed to date.

OPEN DAY

**Tuesday 16 July 9 – 12noon**

Our third and final Open Day for 2013 is on Tuesday 16 July from 9am until 12noon. Prospective students and their parents are invited to tour the school and to attend a presentation. Students wishing to apply for enrolment need to be present for both the tour and the presentation. We will soon have our full quota of Year 8 students for 2014. Anyone intending to enrol for Year 8 in 2014 should make immediate enquiries.
END OF SEMESTER ONE REPORTS and PARENT/TEACHER/STUDENT NIGHT

Reports will be issued on:
- **Thursday 11 July** to Year 8, 9, and 10 students
- **Wednesday 17 July** to Year 11 and 12 students.

Students are required to have their parent sign the accompanying form and return it to the BOX outside the Lower Office the next day. Information about the booking system for Parent/Teacher/Student Interviews will also be distributed. Bookings will be via the internet as they were for mid-semester one. Reports need to be filed safely at home.

Please keep **Wednesday 24 July** free from 3.30pm to 7pm for:
- a Parent/Teacher/Student Night for all year levels AND
- a Year 12 QTAC Evening 7pm to 8.30pm for Year 12s and their parents. Therefore Year 12 interviews will need to be before 6.50pm.

TUTORING BY SMAAT (Students of Mansfield Alumni Assistance and Tuition)

A wonderful group of past Mansfield High School students is offering present students the opportunity to be tutored individually or in groups of 3-5 students from 3.10 - 4.30pm on Tuesdays and Thursdays in D Block. Students commit to a block of four sessions at a time. The cost involved is $20 for individual lessons or $15 for group lessons. This is being overseen by Ms Shelley Moye (Head of Department – Teaching and Learning). **An expression of interest form is in the back of this Newsletter.** Before students are accepted into the program, a signed agreement must be returned. This clearly outlines the roles of the school, the student, the tutor and the parent. We hope to have the program established in early Term 3. At the end of each session, a very brief report about what was covered will be emailed to the parent. Ms Moye is on leave until 29 July, so in the interim, questions can be referred to Deputy Principal, Ms Barbara Clarke.

LEAVING THE SCHOOL GROUNDS DURING SCHOOL HOURS

The school has a duty of care to all students and all students have a responsibility to be a worthy ambassador for the school. Therefore under no circumstances, for the students' own safety, should students leave the school grounds at any time during the day, including the mornings once they have been dropped at school. This is of particular concern with the opening of a new fast food outlet in the school area. Students must also realise that when they are in their school uniform they are representing the school, so they are also not to be going to this venue after school.

ATTENDANCE

Winter holidays do not start until students arrive home on Friday 21 June. This week before the holidays is a normal week. All students are required to be in full-time attendance. New work and revision is occurring. Please note that Monday 8 July is **NOT** a Student Free Day. Students resume school after the holidays on Monday 8 July.

CALENDAR OF EVENTS

A Mansfield High School calendar of events is provided to all students at the beginning of each semester. This allows students and their families to plan their activities. Exams and other assessment feature in this planner. Students are to be present for all assessment, unless they are too sick to attend or there are other very serious extenuating circumstances. (More detail about this is in the Student Handbook.) Other activities need to be arranged around school commitments. Alternative assessment arrangements will only be made in extreme situations. Our students are full-time students. If they are not present for assessment, they will not get credit for the item.

ENTRY/USE OF SCHOOL GROUNDS

Parents and students are reminded that anyone wanting to enter/use the school grounds, including out of hours, must be authorised by the Principal. As stated on the Government signs in the school – **unauthorised entry may lead to prosecution.**

SCHOOL BACKPACKS

School backpacks are to be clearly identifiable by each student, because of a ribbon or inexpensive trinket that is attached to them. For safety reasons, school backpacks are to not be named on the outside where a stranger could identify the student. However a name inside the flap and under a strap is necessary. There is to be no graffiti on the backpacks.

LOST PROPERTY

The situation with lost property in the Upper Office has become dire. We have lost property that has been kept for weeks in the hope that an owner would be found. **All student property must be clearly named.**

1. Lost property which is clearly **named** will be advised to the student via form class rolls, student notices/assemblies. This will occur for one week only. Property not collected will be held for one further week for collection. Lost property not collected at the end of the second week will be sold through the Uniform Shop or disposed of.
2. Lost property that is **not clearly named** will be held in the Upper Office for one week for collection before being sold through the Uniform Shop or disposed of.

We are aware that student property is expensive and we will take all care in trying to return lost property to each student. Correct identification can make all the difference; however it is the student’s responsibility to collect the items from the Upper Office following notification of the lost item being reported via form class rolls, student notices/assemblies. We cannot continue to retain lost property for weeks on end and this information will be reiterated in upcoming newsletters, student notices and assemblies. **Every holiday period is a good time to ensure that all uniform items are clearly named...right down to shoes and socks.** Label suppliers are in the L-Z Yellow Pages. If items ever get misplaced, students need to **continually** check lost property at the Upper Office.
BUSINESS EDUCATION NEWS

2013 CensusAtSchool is Here!

Students in Year 9 Computer Technologies will soon be taking part in the Australian CensusAtSchool project. CensusAtSchool aims to increase statistical literacy and raise awareness of the important role of the National Census of Population and Housing.

Students complete an anonymous online questionnaire, covering topics such as: foot length, favourite food and languages spoken. They then become 'investigators' and use the questionnaire response data to find patterns and trends from any number of topics. Learn more about CensusAtSchool on their web site www.abs.gov.au/censusatschool.

DEBATING NEWS

A big congratulations to all Mansfield State High School debating teams which have been competing since March in the 2013 Queensland Debating Union competition. The preliminary rounds one to four have now been completed and we have five teams in the knock-outs. They are: Year 8 Team One (Emma Ghafari, Zoe Thompson, Dane Petersen, Kelly Wu); Year 8 Team Two (Aastha Gosalia, Grace Willmott, Jasmine Cheruvankalayil, Ayesha Baiquni); Year 8 Team Three (Amos Tucker, Alexander Fthinoyiannis, Samuel Lowe, Joshua Hartono); last year's Brisbane champions, Year Ten Team Two (Ann Carew, Tooru Nishido, Peter Truong, Kruthi Bachu); and Year 12 (Samuel Cree, Bethany Cave, Joshua Rolls, Richard Symes, Leanne Ho). Thank you to all teams for putting in a great effort this year and a huge thank you also to the coaches for your continued hard work and dedication. I hope to see all students and staff back next year for the 2014 competition. New students and staff are always welcome. Good luck to the teams in the knock-outs!

DRAMA NEWS

On Tuesday 21 May a very excited group of Year 9 students went to QPAC to view live theatre, an integral part of their Drama education. They saw an adaption of George Orwell's Animal Farm, a well-known and controversial novel, which is often studied. This was a highly dynamic performance which included physical theatre which helped to make it a high paced and innovative production. The students thoroughly enjoyed it and they are currently reviewing the production as their assessment. They will be attending another production on Thursday 12 July entitled 1001 Nights at the Billie Browne Studio.

In more exciting Drama news, the Year 11 and 12 Drama students are having a Performance Night on Thursday 20 June at 6:30pm in K03. Parents and friends are welcome. The cost of admission is a gold coin donation. This work is a culmination of this year’s Drama Camp in addition to some current assessment items.

MUSIC NEWS

MOST 2013

Of the 77 musically outstanding students selected from across Queensland to participate in the 2013 MOST program, ten of them come from Mansfield High School. From Monday 17 June to Thursday 27 June our students will attend the 10 day residential program held at the Queensland Conference and Camping Centre at Brookfield, participating in rehearsals and tutorials run by highly regarded professional conductors, tutors and musicians.

The program culminates with the MOST Gala Concert to be held in the Great Hall of the Brisbane Convention Centre on Wednesday 26 June at 7pm. The Mansfield students participating this year are: Ann Carew, James Edwards, Daniel Elvery, Kate Holley, Kurtis Malcolm, Briony McConnell, Samuel Sandroussi, Elizabeth Scott, Jasmine Settle, and Isaac Tucker.

Choral Fanfare Area Final

Congratulations to Mrs Long and the members of the Mansfield Chorale for being selected to participate in the Greater Brisbane Area Final of Chorale Fanfare. The Area finals will be held at City Hall in the Ithaca Auditorium this Wednesday 19 June 2013 at 7pm. This is an important performance for the Chorale, as they will be competing for a place in the State Gala which will be held in Brisbane on 19 August 2013. Sing well everyone!

SPORT NEWS

The Mansfield Girls Open and Junior Football teams had a special training session on Tuesday 4 June, when they were coached by a former Socceroo, Kasey Wehrman.

Kasey was a former student of their regular coach Mr Pradella. Kasey had been keen ever since his return to Brisbane to link up with his former teacher and come to the school and pass on to the students, his coaching knowledge that he had gained from his illustrious career and playing history. Kasey was capped eleven times for the Australian under 20 team and has played a number of times for the full
Australian national team, including in unofficial and official international games, making his debut in 1998. Having impressed as a youth player with the Queensland Academy of Sport, Kasey Wehrman signed with the National Soccer League Club Brisbane Strikers, and was an integral member of their premiership team in 1996-97, where he was crowned the Under 21 Player of the Year. After four seasons with the Strikers, he transferred to Perth Glory in 1999, where he helped the club win the Minor Premiership in his first season. His career progressed from there. On 25 October 2012 it was announced he had accepted the Head Coach position at the newly formed Western Pride football club which will participate in the Australian Premier League Queensland Conference.

The girls presented Kasey with an Australian Schools Soccer jersey which was one honour that had escaped Kasey due to his QAS commitments.

GUIDANCE NEWS
Helping Kids Become Resilient
Definition: ‘Resilience – the ability to cope in times of stress or hardship.’

As parents we work to equip our children with the tools they need to solve their own problems, to respond to difficulties, to feel good about themselves and others, and to perceive the future in a hopeful and confident manner.

It would be great if all children arrived with a Do it Yourself Manual but here are some ideas to help your child become resilient.

Brooks and Goldstein talk of ten key principles for resilience:

- Be empathetic – teach understanding of how another person might feel, recognise your own feelings.
- Communicate and listen effectively – and respond to what your child is saying.
- Love your children in ways that make them feel special and appreciated – let them know you love them unconditionally.
- Accept your child for who they are and help them to set reasonable goals – goals for today, and goals for the future. It’s good to work towards something.
- Help them experience success in whatever they show competence in (even if it’s collecting bugs).
- Focus on positives, re-word negative talk – sometimes the positive may be hard to see, but it’s there. Always end a conversation with something positive. Instead of saying ‘don’t do …’- say what you want your child to do.
- Help them to understand that ‘mistakes’ are just things yet to be learnt.
- Develop responsibility, compassion and social awareness by providing opportunities where your child can contribute or give back to others.
- Teach your child to solve his/her own problems and make appropriate decisions (What’s the problem? What are the choices? Which is the best choice? Try it. If it doesn’t work review your choices.) This also helps them to take responsibility for their actions.
- Discipline in a way that promotes self-discipline and self-worth. Punishment is one form of discipline and often a least effective form as it teaches the child what not to do rather than what to do, and can often build resentment. It is difficult to teach your child a better way to behave when you yourself are angry and upset, be calm, tell your child what you want them to do, and praise your child for doing the right thing. Have though, a plan in place for dealing with noncompliance, but STAY CALM. Your child is watching you and will copy how you behave.

In following these principles we will contribute to helping our children be resilient, to be emotionally healthy, and equipped to successfully confront challenges, and bounce back from setbacks.

Adapted from ‘Raising Resilient Children’ by R.Brooks and S. Goldstein.

COMMUNITY NEWS
Next P&C meeting
The next P&C meeting will be held on Thursday 25 July at 7pm in the Common Room. Please note – there is no meeting in June due to the school holidays.

WOOLWORTHS EARN & LEARN PROMOTION HAS FINISHED!
PLEASE RETURN YOUR STICKERS
As you know, our school has been participating in the Woolworths Earn & Learn program. The program has now finished for this year, so a big thanks to everyone who supported our school. We’re now at the important stage of the program where Points Sheets are collected and lodged as our Earn & Learn claim. We will then be able to get new educational equipment for our school. The more we collect, the more we can redeem. So this week please send in your Woolworths Earn & Learn Points Sheets and any loose Earn & Learn Points Stickers you may have.

Remember to check your handbag, the car glove box and that special drawer in your kitchen. Every single sticker helps. Thanks again for all your support!

Mansfield SHS Guinness World Record Challenge
Largest Game of Musical Statues
Friday 21 June 2013 at 11.30am
(Donation of a $2 coin goes to our charities.)

Thank you! Thank you! Thank you!

To our sponsors …
Thank you to two donors for their generosity, providing the financial assistance needed to cover the costs of our Guinness World Record. One of these donors was: Robyn and Rod Jewson from Automatic Gates & Doors Pty Ltd in Underwood. Their donations mean that all money raised by the challenge this Friday can go directly to the Mater Children’s Hospital and Guide Dogs Queensland.

To our volunteers …
Special thanks to Mr George Anthony from Anthonys Lawyers, Upper Mt Gravatt, who has kindly agreed to act as our independent witness and oversee the whole process for us. Thank you also to the 42 members of the wider Mansfield community who have volunteered to act as stewards for the event. Without these people our challenge would not be possible and we greatly appreciate their time and assistance.

A full report and photos will be included in the next newsletter!

Chaplaincy Drive 2013!
The 2013 Chaplaincy Drive will officially finish this week. If you would still like to make a tax deductible donation before the end of the financial year, please complete the form at the end of this Newsletter and return it to either the Upper or Lower Office before Thursday 20 June 2013. All donations over $2 are tax deductible. Thank you for your support!

My First Speech Competition
The House of Representatives has announced a national My First Speech competition for Year 10 to 12 students across Australia. The competition will provide the opportunity for two students to visit Canberra in its centenary year and deliver a speech at Parliament House during the 25th Open Day being held on 24 August 2013. If you would like further information, please see Ms Clarke or Mrs Holley.

**Mansfield High School – Chaplaincy Donation 2013**

Dear Parent/Guardian,

Mansfield High School is extremely fortunate to have a full-time Chaplain, Ben Cherry. Ben has been our Chaplain since 2009 and he has proven to be an incredible support for students, families and staff members alike. Ben is available to all members of our Mansfield High school community regardless of race or creed. He is always ready to provide a listening ear and is a caring presence for those struggling or in need. Ben also organises positive, fun activities and programmes for our students and works hard to foster a supportive, caring school community. He is a true friend to all and a superb role model for our students. His enthusiasm and energy are boundless.

Each year parents and community members are given the opportunity to support the vital work performed by Ben. Currently this position is financed by the Federal Government for two days per week and by our School and the wider community for three days per week. If you would like to help us keep Ben at our School, please complete the tear-off slip below and return it with your donation to the Upper Office. All donations over $2 are tax deductible. Receipts will be issued.

Thank you for helping us to keep Ben (our gentle giant with a gigantic heart) at Mansfield High.

Sue Holley

Congratulations Mansfield Metro Grand Finalists!
Monday 27 May saw both Year 8 basketball teams play in the Metropolitan Finals. Both teams played extremely well. Huge congratulations go to the boys’ team which continued its undefeated streak for the season, winning the Grand Final! The boys never gave up, fighting back from four points down at the beginning of the last quarter. Thanks to the coaches, Mr Nair and Mrs Bairstow, for all their help getting the team to the finals, as well as to Year 11 students Corey Nicholls, Elijah Robinson, Harry Kim and Eric Liao, for their assistance.

Thursday 30 May was another memorable day for one of our summer sporting teams. The Year 10 girls Softball team played Wellington Point in a very tight game. The team was riddled with injury and illness going into the game, but the girls held together as they had all season and kept themselves in the game. The end score saw Wellington Point win by 3 runs, but congratulations must go to all girls for a great effort!

Congratulations also to our Cricket Open and Junior teams which also competed in the Metropolitan Grand Final. Great season boys!

Mansfield Sports Group official launch!
Freidrich Nietzsche once said: "We should consider every day lost on which we have not danced at least once."

To all the members of the Mansfield Sports Group, Monday 20 May was certainly a day not lost with an enthusiastic, fun-filled flash mob on assembly to kick-start the group’s involvement in Mansfield High!

MSG, as it is fondly known, was developed to create camaraderie in sport for the school, to unite all sporting teams, and to raise the profile of sport at Mansfield State High. Enthusiastically led by Mr Mark Waugh and a wealth of HPE teachers, the group aims to develop sport in our school to rival that of any other while developing an emblem and anthem to unite us. We would love support from parents and friends in developing MSG, now and in the future. Let’s get involved Mansfield!

Representative Sport
Congratulations go to Mitchell Bradbrook who competed in Met East Cross Country recently. Mitchell faced some tough competition and came away with third place at the end of the race! Well done Mitchell!!

Winter interschool sport
- Round 5 vs Rochedale (girls travel): 19 June
- Round 6 vs Holland Park (boys travel): 10 July
- Round 7 vs Mt Gravatt (girls travel): 17 July

We have another Sciacca rising through the Australian soccer ranks! Youngest brother of four, Mitchell, a member of the recent Mansfield High Year 8 SEQ Futsal Champions, will represent Queensland yet again this year.

After representing Queensland and Australia in Futsal multiple times in the past two years, including a tour of New Zealand, Mitchell will again represent Queensland in the upcoming National titles in October. With aspirations to become a professional soccer or futsal player, he’s certainly on the right path.

Andrew Booth has been awarded the coveted Pierre de Coubertin Award for 2013. To celebrate his outstanding sporting achievements and commendable sporting conduct, he will receive a certificate and Olympic pin from a guest Olympic athlete at an official ceremony on Saturday 6 July. Well done Andrew!

Summer interschool sport finals
Well done to the Softball Year 9 and Open teams which played in the Metropolitan Semi-finals on Thursday 23 May. Both teams played their hearts out but unfortunately were over-run in their final innings. Great effort girls!

Soccer State Titles
Congratulations to Year 9 students Ryan Moloney and Ciaran Williams, who have been selected as part of the squad to represent Queensland in the National Christian Football Federation Australia Titles being held in September in Perth.
