FROM THE PRINCIPAL

This time of year brings with it many opportunities for students to experience success across the school. This newsletter contains many instances where students have been involved in a broad range of academic, music, cultural, sporting and citizenship activities. It never ceases to astonish me the quality of performance and achievements of our students. It is inspiring to see so many young people achieving in the way they do. I would like to take this opportunity to encourage everyone in our school community to come to the school’s annual Presentation Evening next Wednesday night beginning at 7pm. It is a night to celebrate!

Keep shining!

PRESENTATION EVENING – WEDNESDAY 24 OCTOBER 2012  7PM

Our school’s 2012 Presentation Evening promises to be a great showcase of wonderful achievements at Mansfield High School in the areas of: academia, cultural activities, service to others, and sporting performances. This is a formal event.

We are making every effort to demonstrate the wonderful work of students who have been ably supported throughout the year by staff, parents and their peers. Please note this date in your diary. On the evening, all Academic Awards, in addition to Gold level awards and above in the various areas, will be presented. All students wishing to receive awards need to be present. Only under extenuating circumstances would this not be the case and a completed form needs to be collected from, and returned to, Deputy Principal, Mrs Anghel prior to the evening, when possible. We encourage parents to come to this wonderful event.

Students receiving the most prestigious awards will not be informed until their names are announced on the evening.

Silver, Bronze and Merit Awards will be presented after the evening at assemblies or in form classes.

LETTERS ABOUT UNIFORM TRY-ON NIGHTS / MUSIC AUDITIONS

Uniform try-on nights will be Tuesday 30 October and Wednesday 31 October. Letters will be mailed to all new students to Mansfield High School in 2012 by the end of this week regarding:

1. Bookings for the uniform try-on nights; and
2. The music auditions for students to be allocated to the appropriate ensemble.

SCHOOL SUBJECT CHARGES

The Mansfield High School finance team has produced statements detailing students’ subject charges. These statements were sent home before the end of last term. They provide information for invoices raised for your student’s subject choices for the current year and in some cases, unpaid invoices from previous years.

Some of the subjects your student has chosen, will attract a contribution for Semester 1 only, whilst others may have a contribution that is charged per Semester. These charges were included on the Resource Book and Materials Charges list at the beginning of the year. A charge is made in subjects for the hire of class sets of books and/or the purchase of other materials used by students. We try to keep these charges to the lowest level consistent with good modern educational practices. We believe any other possible method of financing your student’s educational materials would be more expensive and much less convenient than the system we use.

Charges will be noted on your statement with an Invoice Reference similar to the examples below:

- 2012Business&Ent
- 2012Sem1Japanese
- 2012Sem2French

For your convenience, we offer our preferred method of payment which is now by credit card. Please complete the details on the slip at the bottom of your statement and return it to the Administration block lower office or these details may be given over the telephone (Ph 3452 5368). Alternatively you may pay by direct deposit to the school account using the internet payment option from your bank to the following account:
BSB: 064-118 (Commonwealth Bank, Mt Gravatt Branch)
Account number: 0009 0257
Ref: Your student's EQ Id number next to your student's name on the statement.

Details of our other payment methods will be provided on the reverse side of invoices, statements or permission notes when produced.

If your child has changed subjects throughout the year and you wish to highlight any discrepancies on your statement, please return the statement with your comments to the lower office. Returning the statement with your comments will ensure timely correction of your account.

If your statement shows a credit amount, which can be easily identified with a minus sign (−) next to the amount eg. -55.00, please do not pay this amount. A credit can be held on your account or offset against an existing or future invoice. In order to apply a credit against an outstanding invoice, on your account statement, simply write: Please apply credit to outstanding invoice. SIGN and DATE under this comment. Please then return the statement to the lower office. The credit will then occur.

We ask that the outstanding amount on your statement be finalised by 19 October 2012. We appreciate your assistance in clearing both outstanding credits and any amounts owing. Thank you!

IPoDs
The school has been contacted by a concerned community member regarding students crossing the road with their ipods in their ears. This person had to brake suddenly one afternoon because a student crossed the road without looking in front of the driver’s car. This is a very serious situation and parents are requested to remind students regarding responsible road safety.

LABELLING CLOTHING / RESOURCES
Are all of your student’s clothes and possessions labelled? It is suggested that items are re-labelled if necessary. If items ever get misplaced, students need to continually check lost property at the Upper Office. After three weeks items are disposed of, if names are not obvious.

INFORMATION TECHNOLOGY NEWS
The Resource Centre now has five new high definition video cameras for student use. Students will be able to book and borrow these video cameras for school work during school hours and they will also be able to take them home to complete school work outside of school hours, so that they will get additional benefit from this valuable resource.

We have also purchased ten new USB 8Gb memory sticks for students to use with the new photocopiers. The copiers need specific USB memory sticks so that they can scan work directly from the copier and transfer onto the computer. These memory sticks will also be available for borrowing from the Resource Centre.

The IT department is in the process of purchasing an additional photocopier for students to use in the library. This should greatly reduce the queues at peak times. The new printing system has been a huge success and students are happy to save money and the environment by printing to the copiers in the library.

A new projector has been installed in B2 to replace the older projector that had failed. This classroom was also the first of 52 classrooms to have its presentation console computer replaced with a new Dell Optiplex computer that should improve the ability of teachers and students to display their work in this room. The rollout to the other 51 rooms will happen over the coming weeks.

MATHS NEWS
Congratulation to Sam Cree (pictured right) who has achieved the highest result in Queensland for a Year 11 student in the ICAS Mathematics Competition. Sam will receive his medal during a special presentation at the Brisbane Convention Centre to be held in early December. This is a wonderful achievement! Well done Sam! Overall, Mansfield students have done extremely well in the ICAS competition. This year 14 students received a High Distinction, 147 received a Distinction and 359 were awarded a Credit. Congratulations everyone!

ENGLISH NEWS
There have been many exciting happenings in the English Department during the past few weeks.

Spelling Bee Grand Finalist
Congratulations to School Captain, Corneels de Waard, who has made it through to the State Grand Final of The Courier-Mail Spelling Bee again this year. The Grand Final will be held at Dreamworld on 24 October and we wish Corneels the very best of luck as he competes against the other four students in his category. I would also like to acknowledge our other Semi-Finalists this year. They were: Maya Nishida, Rielle Cho, Francois de Waard and Justin Dong. Well done! Maya played 750 games prior to becoming a Semi-finalist which I’m sure will be of benefit for her spelling ability in general. I would like to encourage all students to enter and play the games next year during the competition.
ICAS English Competition
Our results for this competition continue to improve, with 24 students attaining High Distinctions this year. We have a record number of Year 8 students in this category which is wonderful to see. Students will be presented with their certificates on Assembly during the next week. The students are:

Year 8: Joshua Beard, Brooke Houen, Jordan Asmussen, Tom Barham, Kiora Rybarczyk, Chris Yates, Elinor Shay, Torielle Shay, Ryan Turner.
Year 9: Quintin Low, Noah Melville.
Year 10: Katelyn Hinton, May Gu, Zahra Mahomed-Ismail, Taylor Pearce, Jorien Van Beukering.
Year 11: Isabella Gerometta, Joshua Rolls, Bethany Cave, Kaitlyn Davis, Reearna Janke.
Year 12: Corneels de Waard, Annalise Hudson, Laura Tyler.

Congratulations to those students. All students will receive their certificates from their Form Teachers as soon as they are available.

Romeo and Juliet Performances
Year 10 students have adapted scenes from Shakespeare’s Romeo and Juliet into modern language and contexts. It’s been most enjoyable watching students perform their versions. Pictured below are students from Mrs Couper’s class.

Victorian Tea Party
Students in Mr Austen and Mrs Bladin’s Year 12 English class recently held a Victorian Tea Party. This was to assist students to understand some of the cultural attitudes and beliefs of the time. Students (and teachers) got into the spirit by donning some fine costumes as pictured below:
MUSIC NEWS
Great news!  5 out of 5.
Five of our students auditioned to do music at the University of Queensland for next year and all five have received offers of acceptance. The students are Alex Chin, Naomi Rowland, Emily Kuehner, Margie Francis and Grace Elliott. Well done!

Don't forget...
Newsletter No 6 is now available for collection from outside of the Music Staffroom. It contains lots of important information about the end of the year. Permission forms for Mansfield Music and $5 for afternoon tea/dinner are due by 15 October.

MANSFIELD MUSIC

RESOURCE CENTRE NEWS
Brisbane Writers’ Festival Excursion
On 7 September, 30 students from Years 8-10 had the opportunity to go to the Brisbane Writers’ Festival. It was an amazing experience for everyone. Students were able to listen to, and meet, inspiring authors such as Anna Rose, Li Cunxin, Alice Pung, John Flanagan, Belinda Jeffrey, Anita Heiss and John Boyne.

“Personally, my favourite part of the day was meeting Li Cunxin. He is an inspiring person and is such a great role model for others to emulate. The hard work and dedication he puts into his life is amazing. This is my second year of going to the Brisbane Writers’ Festival and each year I have had an amazing time. I recommend students go next year; it is a wonderful opportunity.”

RAUCHLE SERVICE CLUB

Aid for Africa – Can You Help?

Matt, Sam, Josh, Mimi and their parents Paul and Rae Steel are supporting disadvantaged children in Ethiopia through World Families Australia, a not-for-profit, non-sectarian charity. In 2004, Paul and Rae adopted their daughter Mimi from Koala House, an orphanage in Ethiopia when she was eight months old. This year, in December, the whole family is returning to Ethiopia. They will be visiting the orphanage and many other aid projects including the two poor rural villages of Bonga and Meskele Kristos and the school that their three sponsor children attend.

The schools have a very basic structure and very limited facilities and resources, which are stretched to try and meet the educational needs of over 600 students at each school from the local community. Many live in the surrounding countryside and walk great distances to school. The classrooms are constructed of mud and stone walls, dirt floors and an iron roof. The classrooms have some tables and chairs while others contain mud benches for the children to sit on. In order for all the children to be able to attend school classes, the schools conduct two sessions, one in the morning for the younger children and one in the afternoon for the older children. If the children have the school materials, they are allowed to go to school. However, sadly for some of the children, their parents can’t even afford one pencil and one book, so they are unable to attend. The Steel family learned from their last visit that it was best to give all the children something, even if that meant keeping it simple like a pencil and an exercise book, rather than some getting fancy things and others getting nothing. Last Friday the Rauchle Service Club coordinated a gold coin collection, raising almost $600. Thanks to the generosity of the Mansfield High community and the Rauchle Service Club, the $600 raised will buy an exercise book and pencil for every student at both schools!

Ethiopia and its people have suffered greatly with the country being ravaged by civil wars and more recently devastated by drought, making it one of the poorest countries in the third world. The Steel family wants to make a difference. They are planning to take money and supplies, such as exercise books, pencils, simple reading books, and specialised baby formula and soccer balls. If you would like to assist the Steel family or would like further information, you can contact Rae and Paul using any of the details below.

Rauchle Service Club Executive for 2013

Following the Annual General Meeting of the Rauchle Service Club, we would like to congratulate the following students who have been elected to the Executive Committee of the Rauchle Service Club for 2013

- President: Rosanna Sains
- Vice President: Manesha Andradi
- Secretary: Megan Hunter
- Treasurer: Elizabeth Scott
- Asst. Treasurers: Heidi Frommolt and Hanneke Klooster
- Liaison Officer: Reearna Janke
- Chief Publicity Officer: Deric Tran
- Publicity Officers: Bethany Cave, Sam Cree and Rebecca Le
- Campus Reporters: Cara Scarpato, Alexandra Radke and Joanne Hew.

We would like to thank the outgoing Executive Committee for all of their hard work during 2012 and wish the new committee and all members well for a very successful 2013.

Soap Drive 2012 – orders closing soon

The Specialty Soap Shoppe products make wonderful gifts for the end of the year and Christmas. The money raised from the Soap Drive allows the students in the Rauchle Service Club to help others in the wider community. The natural handmade soaps cost $3 each or you can choose 5 for $12. They are made with the best quality ingredients and contain no phosphates, no sodium lauryl sulphates, no parabens and no petro chemicals. An order form can be found at the end of this newsletter and you can even email it to family and friends. All orders are to be returned to the UPPER OFFICE or to Mrs Holley in Upper Admin by Friday October 26.
GREEN EYED VIEW PHOTOGRAPHIC COMPETITION

Congratulations to Jasmine Allen, Amaya Perera, Kristina Shapranova, Cara Scarpato, Nicole King (all pictured), Maro Chow, Anglie Kumari and Gloria Ngu who were all finalists in the 2012 Green Eyed View Photographic Competition run by the Brisbane City Council. The competition challenged high school students to capture their view of Brisbane’s environmental sustainability in action. At the exhibition opening and awards ceremony at the Bleeding Heart Gallery on Friday night, it was announced that Kristina Shapranova had received first prize and Cara Scarpato was the second runner-up. The work of all our finalists will be on display at the Bleeding Heart Gallery on Ann St until Wednesday afternoon.

ENVIRONMENTAL COUNCIL
Mansfield Students Meet Young Environmentalist

Recently some of our Environmental Council members attending the Brisbane Writers’ Festival had the opportunity to meet Anna Rose, co-founder of the Australian Youth Climate Coalition and the Environment Minister's joint Young Environmentalist of the Year. Anna Rose is a regular speaker, blogger and opinion writer on climate and energy issues and has had a passion for Environmental Issues and Social Justice since she was 14 years old. She is well known for her work involving the reduction of energy use and the climate change policy. Awarded a Churchill fellowship in 2011, Anna travelled to the United States, UK and China researching innovative climate change policies and youth-driven social movements. Her inspiring presentation at the Brisbane Writers’ Festival resulted in our students organising a Youth Decide – The Energy Election Event at school. From September 10 – 17, students were invited to visit the election booth in the Resource Centre and vote in the online election about the future of Australia’s energy use.

Pauls ‘Collect A Cap’ Programme
Thank you to everyone who has been sending milk caps in on a regular basis. Each cap is worth ten cents and it doesn’t take long for it to add up. This year alone we have raised $732.60. Proceeds from the collection are divided equally among the Student Council, the Rauchle Service Club and the Environmental Council. Caps may be dropped into the box in the Lower Offices or given to Mrs Holley. Thank you for your support.
ROTARY CLUB OF WISHART – BOOK SALE
Wishart Rotary $2 Book Sale

When: Saturday and Sunday 20 and 21 October.
Where: Mount Gravatt Showgrounds (main entrance) from 7.30am to 4pm.
What: 1000s of books in good condition donated from State Libraries throughout Queensland, including popular authors, technical, special interest, travel and classics will be on sale. The majority of the books will cost $2, although some specialist books might cost slightly more.

The Wishart Rotary Club raises funds for local and overseas charities and services the local community. The Club has always been a great supporter of Mansfield High and members of the School community are invited to support its fundraising endeavours. The Rauchle Service Club is still looking for a few volunteers to help pack up unsold books from 2.30pm - 4pm on the Sunday afternoon. This is a huge job and our assistance is essential to the success of the event.

If you are able to help with the Sunday afternoon pack up, please contact Sue Holley sholl143@eq.edu.au or 3452 5333

OAKTREE FOUNDATION 2013 ROADTRIP

The Roadtrip is one of Australia’s largest youth movements. It will bring together over 1000 of Australia’s most passionate young people, who will be trained to become leaders and ambassadors for social change. The Roadtrip will take place from the 9-16 March 2013. It will depart from Brisbane and travel through South-East Queensland and northern New South Wales, speaking to everyday people and politicians in local communities, attending events, and spreading the message to end extreme poverty. It will then be time to head to Canberra, and finally, Sydney, where all the state and territory Roadtrips will gather for a final celebration of the campaign. (You might recall in 2007 this involved the Make Poverty History concert.)

As ambassadors for the Roadtrip, students will have the opportunity to develop their leadership skills, meet other like-minded, passionate young people, and improve their communication skills, all the while working towards social justice. Ambassadors must be between 16 and 26 years old at the time of the Roadtrip. There is a participant fee of $395, which will cover all food, accommodation, and travel expenses (including returning from Sydney to Brisbane); however there is some funding available for students experiencing financial hardship. There will be three compulsory training sessions in the lead up to the Roadtrip. Applications are available at the link.

As aforementioned, the Roadtrip is an initiative of the Oaktree Foundation. Oaktree is a youth-run development agency, whose mission is to fight extreme poverty through education. The foundation fundraises and supports projects for education in developing countries, creates high impact campaigns on government policy, and equips thousands of young Australians with the knowledge and skills to take real action to end extreme poverty.
