FROM THE PRINCIPAL

On Friday 15 we had our last day with our Year 12 students. I would like to congratulate the 304 students on their hard work in completing Year 12 to the best of their ability and on completing thirteen years of study. Led by Deputy Principal Ms Clarke, a beautiful ceremony was held at school and I thank all the parents and families of the graduating students. It was a proud moment for staff to watch each student having the opportunity to walk across the stage for the last roll call of the year. I would like to thank the staff of Mansfield High School for the quality of teaching and learning provided and the care shown to each and every student. We shall miss the 2013 Year 12 students; however, we are confident that they will go on to lead decent and fulfilling lives.

For students in other year levels it is important to attend every lesson every day. With assessment coming to a close, it is important for students to take the opportunity with their teachers to deeply engage with feedback. Learning does not stop. Although the work that students may be completing in classes is after the assessment has been completed, it is still important. Thus, it is not appropriate for students to be leaving school before their end of year completion date.

Students and parents, I would like to remind you about the high standard of presentation required of all students. Students have been instructed on numerous occasions about how to wear the school uniform correctly. Please check all uniform items and if they are not in reasonable condition, those items need replacing.

Keep shining!

OVERDUE ITEMS FOR 2013

In order to have reports mailed out (Years 10,11) or given (Years 8,9) to students immediately when they are available, it is essential that the subject costs and other school costs have either been paid or arrangements have been made with the school’s Business Services Manager Mrs Sandy Ebert for their payment (phone: 3452 5310). All overdue items must be returned in a timely manner. This includes items such as: assessment, library resources, borrowed items, borrowed money, required documentation. Please discuss this with your student.

EXAMS / STUDY LEAVE / ATTENDANCE

As the end of the year approaches, this is a reminder that students need to be in full time attendance until the following dates. If there is a difficulty, please contact the relevant Deputy Principal:

**Years 10 and 11** - Friday 29 November; **Years 8 and 9** - Friday 13 December.

DEBATING 2014

As 2013 comes to a close, I would like to take this opportunity to remind parents and students that Mansfield is involved in the Queensland Debating Union’s Brisbane competition every year. We have a proud and successful history – including a Brisbane championship in 2011 - and I would encourage students to think about joining a team in 2014. This year we had eleven teams across Year 8 to Year 12 and six of these made the finals. We are hoping to advance even further next year! Debating allows students to develop their public speaking skills, improve their confidence and expand their qualities as a team member. All of these aspects are useful not only across curriculum areas, but in the world outside school also. The standard competition runs from March through to June, with the finals being held in July and August. There are no prerequisites to join, but new students are asked to take debating for the first round of MAP next year. We will be holding information sessions in the first week of school in 2014, and students are encouraged to come along and see what debating is all about.

MARKET DAY  (See photos at end of Newsletter)

Once again, the Year 9 annual Market Day was an enormous success. Through their thorough use of business knowledge, the Year 9 Business students were given the skills they needed to become entrepreneurs and run viable businesses on Market Day. There was a wide variety of products available, from ice-cream sandwiches to cup-cakes to curly fries to jewellery. Although there were various challenges such as power outages and the running out of change, students showed the initiative to overcome these difficulties to provide a quality product for their customers. With the assistance of teachers and other key staff such as Mr Hunter and Mr Fites, all stalls were set up and ready to trade with the primary and high school students. The lunch bell saw hundreds of hungry students flood into the hall eager to feast on the foods available at Market Day. This overwhelming number of students saw several businesses sell out in a matter of minutes and others frantically re-stocking their stalls. All these factors led to a fun, enjoyable and successful Market
Day, not to mention the hundreds of dollars the event brought to many happy stall owners. Early signs indicate that the taxes collected on profits made will exceed the 2012 record of $660. This year, the proceeds will be put towards the Relief Fund for the Philippines Disaster. A special thank you is also extended to the parents, guardians and siblings who provided great support to ensure the success of the students’ ventures.

**MUSIC NEWS**

Looking for after-school individual instrumental or singing lessons? Look no further than Mansfield Musicworx! This exciting new after-school music programme will begin in 2014. Catering to all ages, we offer private lessons across a broad range of instruments, singing and music theory. Our staff members are all talented alumni of Mansfield High School who will bring a vibrant and energetic approach to their teaching. Check out the website for more details: www.mansfieldmusicworx.com.

**GUIDANCE NEWS**

**Fee-Free Training For Year 12 Graduates**

From 1 January 2014, Year 12 graduates will be able to access fee-free training as part of the Queensland Government’s Great skills, Real opportunities action plan.

The fee-free training will be available for Year 12 graduates for training in high priority qualifications identified by the Queensland Government and industry groups. The training is available through a range of certificate level III vocational education and training courses, as well as apprenticeships and traineeships.

**Tips For Parents To Prevent Cyber-Bullying**

Kids socialise very differently these days. A lot of it takes place on the internet, a world that can be very hard to monitor as a parent. Due to the remote nature of the internet, it may be less obvious that your child is being subjected to cyber-bullying, so be sure to watch for symptoms and talk to your child if you have any concerns. Cyber-bullying involves the use of email, chatroom or social media site messaging on the internet, and text, picture and or video messaging on mobile phones. Unfortunately, it means victims can be bullied even when they’re not at school, leaving children very few places to hide. Often, children may be scared to confide in their parents regarding cyber-bullying, worried they’ll have their computer rights restricted, or their mobile taken away.

**Symptoms can include:**

Excessive computer use, troubled sleep or nightmares, depression, anti-social behaviour/ anxiety after using the computer, not answering their mobile phone or checking messages.

**Tips for talking to your child about cyber-bullying:**

- Educate your child about cyber-bullying and reinforce which types of on-line behaviour are acceptable, and which are not.
- Advise them only to give their mobile number and personal email to friends.
- Enforce time-off from the computer or their mobile phone if cyber-bulled.
- Do not open emails from cyber-bullies or respond to bullies on Facebook or SMS.
- Encourage them only to talk to people they’ve met in person.
- Block the bullies from their Facebook account.

**What to do next:**

- Move your family computer to a public place so you can monitor the times children are on-line, and their anxiety levels.
- Contact the police if the messages are threatening.
- In the event your child has been a victim of cyber-bullying, parents can seek assistance from: Parentline QLD - 1300 30 1300. Young people are encouraged to call Kids Helpline on 1800 55 1800.

**Information on cyber-bullying is available from the Guidance Officer or online from [www.kidshelp.com.au](http://www.kidshelp.com.au)**

**COMMUNITY NEWS**

**Final P&C Meeting for 2013**

The final P&C meeting for 2013 will be held on Thursday 28 November 7.00pm at Southern Cross Sports Club, Cnr of Logan Rd and Klumpp Rd, Upper Mt Gravatt. All members are invited to meet at 6pm for dinner prior to the meeting at 7.00pm. If you are planning on attending, please RSVP to Sue Holley. [sholl143@eq.edu.au](mailto:sholl143@eq.edu.au) or 3452 5337

**Assistance required in the Uniform Shop**

The P&C Association is searching for an assistant for the School’s Uniform Shop. This is a paid position averaging 2 to 4 hours per week during the school year (Tuesdays and/or Thursdays). The successful applicant must be able to work the last week of school holidays and the first week of school. Prior experience with cash register usage would be handy but not essential. Training will be provided in the final two weeks of this term.

If interested, please forward your resume and contact details to treasurer@mshspc.com.

**Marilyn Farr is retiring**

After some 22 years at Mansfield High School, mostly as a School Community Liaison Officer, Mrs Farr is retiring. If you would like to attend an afternoon tea in her honour, please RSVP to Sue Holley [sholl143@eq.edu.au](mailto:sholl143@eq.edu.au). The function will occur on Friday 6 December 2013 from 3.15pm – 5pm at school. The venue within the school will be decided very soon. Donations towards a farewell gift can be sent to Mrs Sue Holley.
What happens after exams are finished?

Once exams are finished for Year 11 and 12 students and they have some free time during study leave, some choose to gain more work experience, whilst others pursue their passions. School Captain, Rosie Sains, put her time to good use by relaxing and producing artworks. This multitude of portraits, each of which took about an hour to paint, was the fruit of her labour. Paintings of her school friends and teachers presently adorn the walls of the administration block. Anyone for a portrait???

Bethany Cave Shaved for a Cure on Monday 18 November

*World’s Greatest Shave* raises approximately half the money the Leukaemia Foundation needs annually to fund its important work – providing practical and emotional support to people with blood cancer, as well as investing millions in research. This year, School Prefect, Beth Cave celebrated the end of her high school journey by being brave and shaving. The opportunity to cut off her pony tail was raffled and Ben Barruel in Year 9 was the fortunate winner! Well done Beth!

Environmental Council

Keep on Saving! by Hillary Te (Writer for the Environmental Council)

It’s getting close to the end of the year and everyone is excited about the holidays but we must not forget the simple steps to save electricity. Switching off the computer screens can save electricity. Turning your computer off at night instead of leaving it on will save on average 25% of its annual energy bill! Do not forget to shut down the school computers in the last lesson of the day. Trying to use daylight instead of turning on lights will help save electricity. It’s getting quite hot and we all want the air conditioner on, but don’t forget to turn it off once class finishes. All these little simple steps can make a difference. Kill the bill! Save the planet!

Flashing School Zone Signs

During the week of 25 November Mansfield State High School will have Flashing Light School Zone signs installed on Ham and Broadwater Roads.

You will notice that the new signs look similar to standard school zone signs with the important addition of a red flashing ring around the speed limit as well as two flashing yellow lights at the top of the sign. The installation of flashing light school zone signs is proven to improve visibility of school zones, serving as an active reminder for motorists to slow down.

So next time you’re dropping off or picking up your child, please keep an eye out for the new signs and make sure you keep to the signed speed limit.

FACILITIES UPDATE

For the safety of all of our students and staff for now and the future, BAS (QBuild) will be conducting a large program of asbestos removal from most of B block and parts of A block during the upcoming Christmas school holidays. Works will be between 14 December and 13 January, during which time no one is to be within the school grounds.

Also during the upcoming school holidays, the new three storey building for 2015 will commence on the top oval of Broadwater Road. This construction will hopefully be completed by October 2014.

From 13 January the outside of the Administration building will look very much like a construction site. Upgrade to the raised walkways will be well under way and will be completed early in Term 1 2014. Access to the Administration building from this date will be from the Ham Road entrance only.

Please note: Admin Lower and Upper Offices will be open for payments and student enrolments from 20 January. The best access will be from Ham road entering past the hall until the refurbished entry and car park to the administration block is completed by early February.

G Block has undertaken some changes with garden beds and a new set of stairs being built to allow safe passage to our students who catch buses each afternoon. Students are to stay under cover until their bus arrives and they should then proceed up the steps to board the bus as directed by the member of staff on bus duty that day. We hope this helps alleviate the safety issue of students gathering on the Broadwater Road footpath and blocking footpaths for general pedestrian traffic, whilst waiting for buses to arrive.

Our Library has enjoyed growth and renewal of resources over past years, thanks to the generous donations from Parents and from the P&C. Every donation is appreciated. If you would like to contribute so that we can extend the library, all contributions made are GST free and are tax deductible. The Library Fund is a Deductible Gift Recipient (DGR) fund that is registered with the Australian Taxation Office. The bank details for our DGR *Library Fund* are: BSB 064118, Account Number 10406498.

Our School has a similar DGR fund for Building Improvements including the construction of a covered grandstand over the tiered seating area facing the oval to provide a seating/a suitable lunch area for students. This type of project falls outside of the current government funding programs. The P&C is currently the only contributor to this Fund, but Local Businesses and Parents are also encouraged to make a tax deductible donation to this Fund. The bank details for our DGR *Building Fund* are: BSB 064118, Account Number 10208790.
Please be aware that if you wish to donate to either of these Funds you can do so by using the Direct Deposit details as above with your Customer Number as the reference or by cash or cheque to the lower Office where a tax receipt will be issued for each deposit for your taxation purposes.

Canteen Redevelopment
With the introduction of Year 7 into high school in 2015 and the subsequent increase in the School population, the P&C Association is starting to investigate possible options for the redevelopment of the Canteen. This may involve the expansion of the current canteen or possibly the relocation of the canteen. Either way we need to look at the most efficient design to cater for the needs of our school and students. Any parents who are interested in being on a Canteen Sub-committee are invited to contact Sue Holley sholl143@eq.edu.au or 3452 5337. We recognise that not everyone has time to be on a committee but may have ideas to contribute. If you are aware of any Canteen models in other schools that work particularly well, we would love to hear about them. If you have any ideas, opinions or feedback please email Sue Holley. Students are also welcome to submit their ideas.

Books and Stationery for 2014 – PLEASE READ CAREFULLY
In 2014 the P&C Association is trialling some changes to streamline the process of ordering new textbooks and stationery, as well as the collection and selling of second-hand books. Please take a minute to read the following:

- All stationery and new textbook sales are to be processed on-line through the company Sequel. Even if you elect to purchase a single new textbook, this must be done online. Go to www.sequelbooks.com.au to create your account from the booklist tab and place your order. Online ordering will close on 1 December, 2013. If you want to order books after this time, you will need to visit the Sequel website, print out the order form and submit by post, fax or email. No cheques, cash or orders will be accepted at the school.

- Our school receives commission on all new textbook and stationery sales when ordering is done before 1 December and this commission is reinvested into the school.

- Orders will be available for collection from the school hall on Monday 20 January and Tuesday 21 January 2014 only, between 8am and 2pm. Alternatively you may elect to have your books and stationery delivered to your home for an $8 fee.

- The second-hand bookshop at our school will be open on the last two days of school (12 - 13 December 2013) in the week before school commences (20 - 24 January 2014) and on the first two days of school (28 - 29 January 2014). Trading hours on these days are 7.30am – 10.30am. We encourage you to support the second-hand bookshop; however please be aware we cannot guarantee that a copy of the book you require will be available as stock depends on what comes in from previous students who no longer require their texts.

- If you are purchasing a Year 8, 9 or 10 second-hand Maths textbook, it is strongly recommended that you pay an additional $5 for a copy of the e-Book, as e-Book licences only last 12 months and therefore would have expired. The additional $5 can be paid on the day of purchase and the e-Book will be issued to your student in the new school year by the Maths Department teachers.

- If you have textbooks you would like the second-hand bookshop to sell on your behalf, you can leave them at the Canteen on the following dates: Year 12 – Week Commencing 11 November 2013, Years 10 and 11 – Week Commencing 25 November 2013, Years 8 and 9 – Week Commencing 9 December 2013. All books MUST have a signed agreement form accompanying them at drop off time. (Forms can be found at the back of this newsletter.)

- We prefer that second-hand books are paid for using cash or cheque. EFTPOS facilities will be available in the uniform shop but there may be delays in processing due to customer numbers.

- Please note - copies of all booklist are available on the school website.

Thank you in advance for your assistance with these changes. Your comments after the trial will be welcome.

**Wishart State School turns 50 in 2014**

Join the celebrations...

29 January 2014 will mark 50 years since the school opened its doors to its students and staff. When the school opened it was called 'Mount Gravatt South School' and eventually changed name to Wishart State School. To mark this milestone Wishart State School and Wishart P&C Association are organising several celebratory events throughout 2014. In addition to laying a new time capsule, a time capsule from 25 years ago to celebrate the schools 25th Jubilee will be unveiled. There will be an Alumni Ensemble performing at some events; if you have ever learnt an instrument at Wishart State School, please contact the school.

If you would like to know more, become involved, or if you have valuable information or memorabilia available, please email the Wishart State School P&C: pcmdc@wishartss.eq.edu.au or Wishart State School: admin@wishartss.eq.edu.au or phone Wishart State School on 38490555.

**Keys dates for 2014**

- **50th Anniversary Reunion Dinner Saturday 19 July 2014 at The Glen Hotel**
- Tickets go on sale in February 2014; details about how and where you can purchase tickets will be available soon.
- **School Bush Dance for Wishart State School students Tuesday 15 August 2014**
- **Book Week Parade for Wishart State School students in Book Week August 17-23, 2014**
- **Wishart State School Public Speaking Competition for students September 11, 2014**
- **Fete (Spring Carnival) Saturday 18 October 2014, Wishart State School Oval. Free Entry.**
- **Jubilee Celebration/Unveiling of the Time Capsule Friday 28 November 2014 at Wishart State School.**
