

ADF Future Innovators Award Nomination Form

The ADF Future Innovators Award formally recognises those students who have demonstrated motivation and innovation in the areas of STEM within their school, and who display strong personal ethical values, such as doing one's best. Participation in this award program is open to students enrolled in Year 10 and/or Year 12. A student may self-nominate, or can be nominated by a member of the school community. Self-nominations must be supported/ratified by a school staff member. Please note, nominees do not need military training or experience (ie: cadets).

Process:

1. Check the [criteria](#) for the ADF Future Innovators Award. Please ensure you meet the criteria before starting the nomination process.
2. The nomination form is in two parts. **Complete Part A** by filling in the details below. You can do this for yourself (self-nomination) or for someone else.
3. Identify the school staff member you will ask to support the nomination and ask for their permission.
4. **Complete Part B** of the nomination in [Microsoft Forms](#) (this form is only available with a Department of Education email address as nominations can only be made by a student and/or staff member).
5. Email any supporting documentation (eg: certificates, letters) and the completed Part A form to Ms Hixon khixo1@eq.edu.au with the subject line 'ADF nomination' by **3.00pm on Wednesday 23 July 2025**.

Student first name: _____

Student last name: _____

Year level: _____ Student email: _____

☐ I have completed Part B online and provided details of the nominee's STEM achievements.

Staff Referee

Identify a school staff member who will support your nomination. **You must ask the staff member before you nominate them as a referee.** The school will then reach out to the staff member to certify that the information you have provided is accurate and represents your contribution to Mansfield State High School.

Name of staff referee: _____
