

EXPERIENCE IMMERSION

Have you wondered if a Language Immersion program might be right for your child?

We are offering limited places in our Experience Immersion workshop for Year 6 students who are interested in applying for our Program of Excellence in French Immersion for 2027.

This is a unique opportunity for prospective students and their parents to experience the program first-hand and learn more about the benefits of the Immersion program.

The afternoon will include a parent presentation and a student workshop including:

- practical classroom activities
- language-based games
- cultural activities
- Q&A with Immersion students
- opportunities to speak to Immersion staff.

Places are limited and a booking is required to attend. Upon booking, a confirmation will be emailed which will include further details of the workshop.

The Mansfield website includes additional information about our Programs of Excellence which may help you to decide if this is an opportunity appropriate for your child.
