# School Requirements

INTRODUCTION

REQUIREMENTS

OPTIONS

SOFTWARE

PORTALS

5

## Windows

### (Minimum Specifications)

Suitable for most subjects but may perform poorly or not run some subject specific software (Autodesk & Adobe Suites).

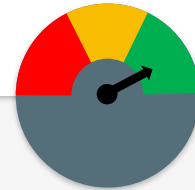

Some tasks may be more difficult without 360° hinge or stylus pen.

## Windows

### (Recommended Specifications)

Suitable for full range of subjects.

## Other Options

MacBook may require extra software or workarounds to run Windows specific software. Support is not offered for this.

iPads will support a limited range of subjects in junior school but are not suitable for most senior subjects.

Refer to [Subject Device Requirements Document](#) for specific subject requirements.
