Mansfield State High
1-to-1 Program 2020

Mark Casey

Head of Department - Information Technology
Why Technology?

Our world is changing more rapidly than at any other time with the influence of technology spreading to touch every aspect of our lives. Queensland children and young people are ready to engage in this exciting future.

*Education Qld – Advancing Education Action Plan*
Life beyond school

Demand for:
• Creative thinkers
• Problem solvers
• Strong communicators
• Collaborators
• Entrepreneurs
• Digital leaders
One-to-One Options

Choose Your Own Device (CYOD)
- School owned and managed and fully supported

Bring Your Own Device (BYOD)
- Privately owned and managed with some school support
Choice

SCHOOL LOOK UP

Find out if your school is registered for JB Hi-Fi BYOD Online bargains.
Choice – BYOD Portal

• Details will be provided once the portal is ready
• Highly recommended to add extended warranty and ADP
• Can add extras e.g. carry bag etc.
• Multiple payment options including interest free finance.
• Can arrange pick up from any JB Hifi store.
• Apple products available through portal.
  • Ensure someone in family is competent with Apple OS if choosing this device.
Network Access

**CYOD**
- Built-in to laptop

**BYOD**
- Microsoft Intune platform
- Instructions provided to set up at home
- BYO support night early 2020
Inclusions

**CYOD**
- Warranty - 3yr Onsite
- ADP - 3yr $50 excess (1 claim per year)
- Computrace – police can track stolen device
- Carry bag
- Digital Pen
- School software

**BYOD**
- Highly recommended to purchase warranty and ADP
- Can purchase optional accessories
Support

**CYOD**
- All issues including warranty and ADP claims handled by IT Staff
- Loan device issued when device in for repair
- Software installs *

**BYOD**
- Support via vendor
- If purchased through portal:
  - Drop off service at school for warranty and repairs
  - Support through portal 1300 number or online form
Software

**CYOD**
- Managed Windows 10 OS (Regular updates)
- Some pre-loaded software (Photoshop etc)
- Access to school licensed software e.g. Sibelius

**BYOD**
- Can only be installed by families
- Links provided to software locations
- Some free software available for students e.g. Microsoft Office
Security

**CYOD**
- Built-in Blue Coat filtering – Internet filtered both at school and at home
- Option to allow or block social networking sites at home
- Some restrictions on device e.g. can limit who logs on

**BYOD**
- Internet filtering only at school
- Security and filtering at home responsibility of parents
Payment

**CYOD**
- Payment to the school
- Limited options with payment generally up-front
- Can consider special circumstances

**BYOD**
- Payment to vendor
- Variety of options including interest free through portal
Recommendation

• It is recommended that, where possible, families join the Mansfield CYOD program

• It is our belief that the high-quality devices, bulk-purchase pricing, 3 year NBD warranty, ADP, access to hot-swap devices plus full hardware and software support make the program a great value and worry free proposition for families over the life of the device
Timelines for new students – CYOD

• Form due by Friday 29th November
  (Forms will be accepted any time but may not guarantee collection of device at specified date)

• School will send invoices to Laptop Program families once form has been submitted

• Default payment plan is 25% per month

• School will order devices at end of November and confirm pricing offered

• Students will collect their device in the first two weeks of term 1 2020
Timelines for new students – BYOD

• Form due by Friday 29th November (Forms will be accepted any time, but early submission helps with planning)

• Wait to purchase BYOD closer to school start.

• Wait to join devices once enrolment is confirmed. i.e. After physically attending school and being marked present.

• BYOD information evening beginning of term 1 2020.
More Information

• Detailed information about both programs can be found on the Mansfield SHS website under the Extra-Curricular tab then Computers and Internet.

• There are several important forms located on the website:
  • 1-to-1 Charter and Handbook covers both CYOD and BYOD programs and identifies key differences.
  • CYOD and BYOD Participation Agreement Forms contain important information which needs to be agreed to by both student and parent.
  • CYOD or BYOD Participation Form is the form to be submitted to the school. Only one form needs to be submitted – either CYOD or BYOD.
  • There are also many guides available in each section.
