

QCAA external assessment timetable 2025

About the timetable

The QCAA external assessment timetable 2025 includes the external assessments for General and General (Extension) subjects.

The timetable will be updated in Term 3 to include language and non-language Senior External Examinations (SEEs). SEEs are 100% external examinations and are different from the mainstream General subjects.

The timetable has been designed to:

- minimise clashes for students across the examination period. Where there is a clash within a morning or afternoon session, students will be allocated to the alternative session on the same day
- ensure most students sit no more than two external assessments on one day
- provide sufficient breaks between external assessments for popular courses and frequently combined courses
- enable all external assessments to be marked in time for students to receive their final Year 12 results.
