It's time we celebrate the doers. The builders, the bakers, the fancy clothes-makers. The picture takers and flower bunchers, city makers and number crunchers. The protectors, the nurturers, the entertainers, and the people who make us all look beautiful. The upskillers, the room chillers, and the all-important pollution killers. The mariners and miners, mechanics and medics, the graziers and glaziers, and people who just amaze you. You’re the people who make the world turn. **You’re the people who make great happen.**

What people say about us...

I won the Queensland Training Awards for Aboriginal and Torres Strait Islander Student of the Year in 2012. TAFE helped me achieve my goals and I am now employed by the RSPCA as an Animal Attendant.

Lucy-Jean Bell
Certificate III in Companion Animal Studies

It’s a great place with amazing purpose-built facilities and exciting labs. The teachers give you the fundamentals that are expected in the workplace. Best of all, I found TAFE a fun place to learn.

Benjamin Hutley
Advanced Diploma of Laboratory Operations

It’s a good way to integrate into university/work life post school. You get more freedom from the everyday “boring school”. Variety makes it more fun.

Makaira Craven
Certificate III in Fitness
Our students are focused and job ready for exciting and rewarding careers once they graduate. It is so satisfying for me seeing past students become our industry leaders.

**John Perraton**  
Professional Cookery Teacher

Students are given many chances to work with industry professionals via volunteer work, classes and workshops - providing an edge in the workforce.

**Sofia Darveniza**  
Diploma of Event Management

It’s clear why this organisation has an outstanding reputation. The teachers are industry exerts with real-world experience. I undertook work experience in a salon as part of the course, which lead to a job before I was fully qualified!

**Daniel Schmidt**  
Diploma of Beauty Therapy
Get started at TAFE Queensland Brisbane

TAFE Queensland is the largest and most experienced provider of vocational education and training in the state. It’s a big statement, but one that’s backed by research and confirms our impressive track record.

We’ve been in the business of training for more than 130 years and have trained more than seven million people. And, at last count, we had more students than all the Queensland universities combined!

TAFE Queensland Brisbane’s award-winning teachers, purpose-built facilities and strong industry partnerships will help you get the real-world skills that you need to achieve your future career or study goals. We’ve got over 200 practical and nationally recognised qualifications for you to choose from and hundreds of University pathways to compliment and extend all of our TAFE at School courses.

Get a head start with a TAFE at School course

If you are a year 11 or 12 student then you’re eligible to participate in the TAFE at School program. You can choose to study from over 20 exciting and varied certificate II or III level vocational education and training (VET) courses. Best of all, a TAFE at Schools certificate can be achieved in conjunction with your senior studies and count towards your Queensland Certificate of Education (QCE).

7 great reasons to study with us

TAFE at School is a GREAT way to:

> get a qualification while still at school
> build practical skills in a real world environment
> make you work ready
> gain valuable credit points towards your QCE
> fast track entry into some TAFE Queensland programs
> gain credits towards a diploma program or university studies
> learn from professionals, bursting with current industry knowledge.

What does it cost?

Costs vary course to course, and these prices are identified throughout this guide.

If you are undertaking a certificate II qualification as part of your senior studies you may pay reduced or, in some cases, no tuition fees at all. If you choose to study a certificate III program you will incur fees.

You will need to re-enrol in your program at the commencement of each semester of study.

As an international student you will be required to pay a slightly different fee. A schedule of fees is available upon request.

Payment options

Payment options may be available, however students under 18 will need a guarantor. Applications will be subject to credit checks.

Student support

At TAFE Queensland Brisbane we aim to create a supportive and inclusive learning environment to help you achieve your study goals. To help you on your journey, your school, through their student assistance programs, have the responsibility of ensuring that you receive appropriate levels of support while you are participating in the TAFE environment.

More information

If you require further information, please contact your school guidance officer / VET coordinator / head of senior schooling.

For all general enquiries, contact TAFE Queensland Brisbane on 13 72 48 or email schools.brisbane@tafe.qld.edu.au.

About the TAFE at School Program
Get started today

01: SET plans
In conjunction with a Guidance Officer, VET Coordinator or Head of Senior Schooling, you will develop a SET plan and identify a TAFE course to study.

02: Attend an information session
You and your parents/guardians attend an information session. Sessions are usually held at the end of August. The sessions cover:

- TAFE processes
- student rules
- expectations
- course plans
- site tours of TAFE facilities.

Dates can be found on the TAFE Queensland Brisbane website.

03: Submit an Expression of Interest (EOI)
Once you have your SET plan in place, you can then log on to the TAFE at School portal and lodge an EOI in a course. EOIs can be lodged via the portal between 1 September and 10 October 2014.

Your school Guidance Officer/VET Coordinator/Head of Senior Schooling is responsible for approving or declining EOIs.

TAFE @ School portal: tafebrisbane.edu.au/school

04: Offers made
Schools are notified of outcomes of student offers during October.

Note: All courses are number dependant, which means a minimum number of students are required before a program can proceed.

05: Enrolment offer letters
You will be emailed a letter of offer, along with enrolment forms and other useful information including orientation.

Secure a place in the course by making a payment. Payments must be made by Friday 28 November 2014.

06: Round 2 offers
Second round offers will be issued during the week beginning 1 December 2014.

07: Start of study
Classes commence in February 2015.

ABOUT THE TAFE AT SCHOOL PROGRAM
Student rules

Like all workplaces, colleges and universities, TAFE Queensland Brisbane has a number of rules that you will need to adhere to. The rules outline your responsibilities and obligations, and apply whether you are on campus or undertaking a related activity off campus. A breach of student rules may result in disciplinary action being taken.

A full version of TAFE Queensland’s student rules is available on the TAFE Queensland website, but here is a quick summary of our expectations.

Personal conduct and behaviour

> Treat people with respect and fairness, and expect it from others. Bullying and harassing students or staff is not acceptable and will not be tolerated.

> Follow the classroom rules set out by your teacher, including being respectful to others.

> Unlawful activities, including possessing or using illegal drugs or carrying weapons, will be reported to the police.

> Treat all institute computers and equipment with care, and report any damage to institute computers and other equipment to your teacher.

Enrolment, attendance and progress of study

> Be sure to enrol and have fee arrangements in place before commencing study/classes.

> Speak to your school and the TAFE at Schools unit if you plan to withdraw.

> Attend classes and placements regularly and on time.

> Speak to your teacher or your school if you are experiencing any difficulties in the progress of your study. Support is available to help you achieve your study and career goals.

Assessment, academic appeals, misconduct and misconduct appeals

> Complete your assessments on time and follow any instructions from your teachers. Talk to your teacher if you are experiencing difficulties in meeting assessment timeframes.

> Follow all instructions for assessments and examinations. If you are disruptive you may be asked to leave an assessment or examination.

> If you are found to have broken any academic or behavioural rules, you may be subject to a misconduct process, which can result in suspension or exclusion.

> If you don’t agree with an assessment grade or with a misconduct decision, you have the right to appeal using the academic and misconduct appeals processes.

Results and awards

> TAFE Queensland Brisbane reports bi-annually on student progress to participating schools. The reports provide a snapshot of a student’s attendance at TAFE and teacher observations of the student’s performance and behaviour.

> You can access your results on Student Self Service.

> If you lose your qualification or statement of attainment you can get a new one by speaking to student services/customer services. Fees may be applicable.

TERM DATES

Queensland school terms 2014
Term 1  27 January – 2 April
Term 2  20 April – 26 June

- 180,000 students each year, more than any other QLD uni
- 89% of TAFE Queensland graduates go on to work or further study
- Practical skills in real-world environments

tafebrisbane.edu.au
TAFE Queensland Brisbane offers both school-based apprenticeships and traineeships, which can not only get you work-ready, but a step ahead of your peers. Becoming a school-based apprentice or trainee gets you trained in a vocation or trade and allows you to earn money while you’re still at school.

An apprenticeship arms you with the specific skills needed to become a qualified tradesperson. Apprenticeships can take up to four years to complete. On the other hand, trainees are trained in a vocational area, such as animal studies or vet nursing. As a trainee you’ll work towards a minimum of a certificate level II in your chosen area. Traineeships can take between 12 months to three years to complete.

If this sounds like something you’re interested in, then visit our website to find out more. It’s got all the information you need to know about the apprenticeship and traineeship courses that we offer. Once you know what course you’re interested in, you simply need to visit the Australian Apprenticeships website for tips on securing employment as an apprentice or trainee.

Your school Guidance Officer, VET Coordinator or Head of Senior Schooling can also help get you started and assist you in finding an employer. When you’ve got an employer and secured an apprenticeship or traineeship, just let them know that you want to study with us.

Best of all, school-based apprentices and trainees do not pay fees for training at TAFE Queensland Brisbane. However, you may need to pay some costs for tools and compulsory protective equipment, which we will outline upon enrolment.

To find out more about school-based apprenticeships and traineeships visit:

TAFE Queensland Brisbane
tafebrisbane.edu.au/earnandlearn

Australian Apprenticeships
I landed a traineeship in a local veterinary clinic mid-way through year 12, which meant I could enrol in the Certificate IV in Veterinary Nursing. It’s a fantastic course. All the materials are online, so you can complete the assignments around work hours.

Stephanie Wood
Certificate II Animal Studies
Certificate IV Veterinary Nursing (traineeship)
Animal studies
**Certificate II in Animal Studies**
(ACM20110)

### Semester 1, 2015
- Work in the animal care industry (ACMGAS201A)

---

**Certificate III in Music Business**  
(CUS30309)
This was the biggest and most helpful stepping stone in my music career. My teachers were industry professionals and eagerly shared their knowledge with me. My success in music has been mind-blowing; I’ve performed at Stereosonic, Summerfielddayze and Creamfields festivals, and in nightclubs.

Leigh Robke,
Diploma of Music
Telecommunications
Explore the vast and exciting world of telecommunications. There is a huge demand for employees in this sector, so now is the time to start fast-tracking your career in the industry and enrol in a course that’s an investment for your future.

Become a network planner, designer, field engineer or administrator.

Delivery: Face to face, one day a week from 9.00 am – 3.00 pm

Campus: Bracken Ridge, Loganlea, Mt Gravatt and South Bank

Duration: 2 Semesters

Fees: Free
While you study with us, our campuses will be your home away from home. So, we’ve made sure each location is welcoming, lively and perfect for productive learning. From purpose-built classrooms and studios, to simulated training settings, we have the right environment for you to learn the practical skills you need to be a job-ready graduate.

We regularly collaborate and consult with top industry groups and commercial businesses. As a result, we’re able to leverage our relationships with industry and business and provide you with workplace training opportunities, skills workshops, professional development events and business breakfasts. Real world assessments will harness your current knowledge and challenge you to excel.

Our learning environments
Our locations

TAFE Queensland Brisbane is spread over many locations across the south-east of Queensland. We are perfectly placed to help you make the most of everything that Queensland has to offer educationally, socially and geographically.

Public transport

Our facilities are really easy to get to by private or public transport – bus, train and CityCat.

If you are a full-time student studying 12 hours per week for at least 12 weeks, you are eligible for a student discount on public transport. Contact Translink for more information.

To plan your travel, use Translink’s online journey planner to access timetables and services. Call 13 12 30 or visit www.translink.com.au
