

BYOD On-boarding Check List

Check:

- You have handed in the BYOD Program Form and paid the BYOD levy
- Your username and password are current (you have logged in at school and know your password)
- Your laptop has met the operating system requirements (Windows 8.1 or higher, Mac OS X Yosemite or above) We will not support iOS, Android, Linux, Windows RT or Windows 10S)
- Your operating system is a genuine licenced copy.
- You (the student) are a local administrator on the device (Microsoft Family Features may not allow access – please add <http://byo.eq.edu.au> to the list of allowed domains).
- You have antivirus software. This should be disabled for on-boarding and re-enabled once connected.
- The wireless adapter is set to automatically detect proxy settings.
- The time zone is set to UTC+10 Brisbane (Windows) or Australian Eastern Standard Time – Brisbane (Mac OS X)

To give you an idea of what to expect when on-boarding your laptop, check out the following on-boarding guides:

- Windows ([PDF](#))
- Mac OS X ([PDF](#))
