

50<sup>th</sup>  
ANNIVERSARY  
1974 - 2024

## S Block

S Block is the original Science Block which initially included four rooms without power or water, in front of the yet to be completed Administration building. S Block was completed in 1975 and included 4 laboratories and a staff room. A further update to this block was completed in 2016 to modernise the space.
